Athlete/Student ethics and conduct. - Mikki

Discussion about student athlete behavior on campus and off campus. Questions were asked and answered regarding disciplinary actions in the event behavior of a student athlete demands review from coaches, administration and/or law enforcement.

Banquet Issues - Ali

Update was given on efforts made by Ali and Bob to recover funds not originally secured to finance the 7th grade football team end of season banquet. Some but not all monies were recovered.

Fall Survey - To do or not to do. - Laurie

Following a brief discussion it was decided that the survey benefits the booster board and its programs by allowing families to give feedback regarding their experience. We value this feedback since it permits the board to make adjustments to our programs in the future. The board will review the survey questions from last year and any requests regarding wording and the addition or deletion of questions will be submitted to Laurie Lewis. Survey will be sent to parents before the end of the calendar year.

Round Table -

Spring sports meeting is scheduled for January 23, 2017 at 6:30

The board will meet at 5:30. Coaches meeting will be at 6:00 and the general session at 6:30.

Mr. Leake thanked the board for our participation and efforts to keep things running smoothly for our school and athletes.

Mikki - is in favor of reducing the spirit wear committee members time commitment by forgoing use of the spirit wear tent at every home game. Currently that person is obliged to be present at the stadium for essentially the entire day of every home game. Our board is extremely lean and the duties are burdensome on such a small membership. An alternative would be opening online sales for longer periods of time to offset the reduced amount of availability at games. Discussion was tabled for the time being since we have plenty of time to revisit the subject before making any more permanent changes to our current procedure.

Joe - is receiving a very positive response to the volleyball open call. All is moving forward with the start of our inaugural club volleyball season.

We will open and close the enrollment period for football commissioner with plans to confirm our 2017-2018 commissioner by the opening of our January 23, 2017 meeting.

There will not be a formal board meeting in the month of December.

Respectfully submitted by Mikki Weaver
