

SOLICITATION POLICY

Marlboro Youth Soccer Association (MYS), as a non-profit volunteer organization, as a policy, in general will not accept solicitations for monetary donations. As a part of the community, MYS will utilize its membership and/or volunteers to benefit its community as it has in the past by participating in City events and sponsorship of a food drive for the Marlboro Food Pantry. MYS may also advertise for an organization through our standard channels if deemed appropriate. All other solicitations must be submitted, in writing, to the President for presentation to the Board of Directors for consideration and a vote.
