

ATLL 2017 SPECIAL RULES FOR AAA AMERICAN DIVISION

The following ATLL 2017 Special Rules for AAA American supplement those contained in The 2017 Little League Official Regulations and Playing Rules “The Green Book”:

Age Limits	Seven (7) – Eight (8) as of January 1 of current year.
Team Formation	Manager may select 2 coaches and 1 parent umpire. Player Agent assigns remaining players to teams.
Season Schedule	20 Games
Game Schedule	All Saturdays, except Memorial Day weekend, mid-week games are typically on Tuesdays. One weeknight practice per week.
Uniforms	ATLL provides hat and jersey which are kept by the player at the end of the season.
Defensive Players	Nine (9) players: Broad rotation is strongly encouraged. All players should play both infield and outfield positions. However, not everyone must be played in positions requiring specialized skills (e.g.: pitcher, catcher, 1st base).
Coaches in Field	The offensive team may use two (2) base coaches.
Umpires	Each team will furnish one umpire for each game. The home team is responsible for the home plate umpire. The visiting team is responsible for an infield umpire.
Run Limits/ Mercy Rule	Upon the scoring by a team of five runs the half-inning is complete. This rule applies to each half-inning, <u>including</u> the final half-innings of the game. If after four innings (three and one-half innings if the home team is ahead), one team has a lead of ten runs or more, the manager of the team with the least runs shall concede the victory to the opponent
Ball Type	Regulation Little League Ball
Base Distance	Sixty (60) feet
Batting	All players on each team shall bat in continuous rotation. No changes in batting order shall be made as a result of field substitution. An umpire shall call balls & strikes, but there will be no bases-on-balls awarded when the coach is pitching.
Game Play	The ball shall be considered dead and no runner may advance once the ball has been thrown to the pitcher and the pitcher is at the “pitching area” (an area 18 feet in diameter). In general, on a hit into the outfield, coaches may only allow runners to advance until the ball is returned to the infield. A double, triple or homerun may be hit.
Pitching	The pitching distance shall be forty-two (42) feet. A manager, coach or adult assistant shall pitch to his <u>own</u> team in each of the following innings: First, Third, Fifth. A player shall pitch to the <u>opposing</u> team in each of the following innings: Second, Fourth, Sixth. When a manager, coach, or adult assistant is pitching, a player from the opposing team shall play the position of pitcher

	for fielding purposes. A manager, coach or adult assistant shall take efforts to avoid fielding or participating in a defensive play. There shall be no bases on balls when a manager, coach or adult assistant is pitching; however, strikes and strikeouts are called. If a batter is hit by a pitch when a manager, coach or adult assistant is pitching, the manager, coach or adult assistant shall have the discretion to allow the batter to continue batting instead of being awarded first base.
Stealing	There are no “straight steals” in AAA American. Runners will be allowed to advance <u>one</u> base, at their own discretion, in the event of a passed ball or wild pitch <u>only</u> while a player is pitching. In application of this rule, runners may only advance to second or third base; No advancement to home is permitted. The fielding team is permitted to attempt to throw the runner out as he or she attempts to advance. The runner may <u>not</u> advance more than one base, even if, for example, a throw to a base is errant. Generally, a pitch blocked by a catcher and kept in front of him or her will not be considered as a “passed ball” or “wild pitch.” Generally, a pitch must get “behind the umpire” to allow a runner to attempt to advance. The <u>umpire will have broad discretion</u> in determining the proper application of this rule. Further, managers should use discretion in applying this rule when no backstop is present (especially due to a move of home plate due to a wet field, etc.)
Lead-offs	No
Live Ball	Balls thrown back to the pitcher from the catcher are dead balls and not playable
Head First Slide	No head first sliding is allowed unless sliding back into a base.
On Deck Batter	No. No player shall handle a bat until it is his/her time at bat.
Balks	No
Dropped 3 rd Strike	No
Infield Fly Rule	No
Game Time Limit	A regulation game shall consist of a minimum of three (3) complete innings; game time is not to exceed 2 hours in length or six (6) innings, whichever comes first. No new inning shall start after 1 hour 50 minutes has elapsed
Pledge	Before the start of the game, the teams will line-up on the 1st and 3rd base lines while the Pledge of Allegiance & Little League Pledge are recited.
Hand Shake	At the conclusion of the game, each team will line-up and shake hands as a sign of sportsmanship.
Cancelled Games	A game that is not started due to weather or other cause shall be rescheduled. The home team manager is responsible to contact the Field Coordinator to have the game rescheduled, and to coordinate the revised game time with the visiting team’s manager.

Pitching Summary

Age	Maximum Pitches
7-8	50

Pitches	Days Rest
Over 66	4
51-65	3
36-50	2
21—35	1
Under 20	none

If a pitcher reaches his pitch count in the middle of an at-bat, the pitcher is permitted to continue pitching until that at-bat is complete. Any “extra” pitches are counted toward that player’s pitch count and shall be factored into the calculation of the required days of rest for that player.

A player once removed from the position of pitcher during a game may not return as a pitcher.

A pitcher who delivers forty-one or more pitches in a game cannot play the position of catcher for the remainder of that day.

Any player, who has played the position of catcher in four (4) or more innings (or any parts of four innings) in a game, is not eligible to pitch on that calendar day.

When a pitcher takes his position at the beginning of each inning he shall be permitted to pitch no more than eight preparatory pitches which shall consume no more than one minute of time.

A manager/coach is allowed to visit with a pitcher “at the mound” three (3) times in an inning (a pitching change must occur on the third visit).

While fielding their position (whether during a game, practice or other ATLL-affiliated activity), all pitchers must wear a protective helmet. To be in compliance with this rule, players must wear either (1) one of the helmets provided to the team by ATLL, or (2) a helmet substantially similar to those provided to the team by ATLL, as determined by the umpire (game situations) or manager (practice situations) in his/her sole discretion. The player playing the position of fielder during coach-pitch innings is not required to wear a pitching helmet.

Miscellaneous Rules

Managers and Coaches Entering Field of Play. Except when serving as pitcher or on-field first or third base coaches, managers and coaches shall ask and be granted permission of an umpire before entering the field of play for any reason, including when conducting a defensive or offensive conference or when consulting with an umpire regarding a ruling. No more than one manager or coach from a team may enter the field of play when conducting a defensive or offensive conference or when consulting with an umpire regarding a ruling. Similarly, on-field coaches shall ask and be granted permission of an umpire before leaving the pitching area or first or third coaching boxes during an inning.

Offensive Interference/"Throwing the Bat". Umpires shall have broad discretion to call offensive interference in instances of batters "throwing the bat" to promote the safety of all participants. In the umpire's discretion this may include the issuance of warnings or the declaration of the batter or batter-runner out. In general, the issuance of a warning to a batter or batter-runner is appropriate on a first offense. In general, the declaration of the same batter or batter-runner out is appropriate on a second offense.

Spectator Seating. Umpires shall have broad discretion to control the placement and seating of spectators. Spectators shall not position themselves directly behind the backstop, nor shall they interfere with, or attempt to influence, the calling of balls and strikes.
