The information I provided regarding my son/daughter is correct. The program is open to all boys and girls in grades 2 through 8. No boy/girl may be allowed to participate if he/she reaches the age of 15 prior to September 1st of the current year or has progressed beyond eighth grade during the program year. Players will be weighed at equipment hand-out and that weight, along with the age as of September 1st, will be used to help determine what level the player will be assigned to. The VHCYAA President and Football Commissioner will make the final determination of level players are assigned to.
