

Comprehensive Baseline Concussion Testing

FREE For Athletes in a Non-Profit Organization

At Emerson Hospital Center for Rehabilitative and Sports Therapies, 133 Littleton Rd. Westford

Tests include:

- **ImPact Baseline**
- **Balance Error Scoring System**
- **King-Devick Concussion Screening Test**

Combining sophisticated technology and clinical assessment, baseline testing provides your athlete's physician with objective assessments necessary for smooth transition to recover and safely return to play, should a concussion be suspected.

With baseline testing, the athlete's physician will have data to compare pre- and post-concussion cognitive and physical performance.

All testing is performed by certified licensed physical and occupational therapist.

Age: 11 years and older

Dates: January 14th and 28th, and February 11th

Time: 2:30 pm – 5:30 pm

Registration is required. Space is limited

To register, please email Jessica at Jgravel@emersonhosp.org

Please allow one hour for the completion of all 3 tests

Funding provided by the Oak Grant at the Dr. Robert C. Cantu Concussion Center
