

The 2006 & 2007 Class "S" State and 2008 Shoreline Champion Cromwell High School Girls Soccer Program and the Cromwell Chill Soccer Program will be holding their 7th Annual Golf Tournament.

This event is the major fundraiser for the CHS Girls and allows them to participate in a pre-season team building activities. Past team building events have included trips to Vermont and pre-season jamborees. Proceeds from this tournament will cover all team building activities which will enhance the girls soccer skills along with building team camaraderie for all of the players in the program.

This event is also the largest fundraiser for the Cromwell Chill organization. The Chill organization provides a strong soccer foundation for players, both boys and girls, from ages 8 to 13. In existence for 17 years, the Chill has been a developmental program for hundreds of Cromwell children that have gone on to play for the high school soccer programs in the area.

By working together, the CHS Girls and the Chill organization look forward to raising the funds necessary to continue to provide positive soccer experiences for all of the children involved in our programs.

We would like to thank the golfers, sponsors and all who volunteered their time and services to make this 7th Annual Golf Tournament a success.
