Jay Castle Memorial Scholarship

"Jay Castle was a man of few words. He believed that in order to get anything out of lacrosse you had to be 110% committed to your team and yourself. To him it didn't matter so much if you won or lost, but how you played the game and how much of yourself you gave." *Christine Castle, Jay Castle's daughter*

The Jay Castle Memorial Scholarship is awarded each year to a varsity, college bound graduating senior. Coaches nominate players who exhibit a true love of the sport, sportsmanship, team motivator, and have good academic standing. This player does not have to be a team captain, high scorer, or member of a travel team. The honor is for the player that brings "heart" to the team.

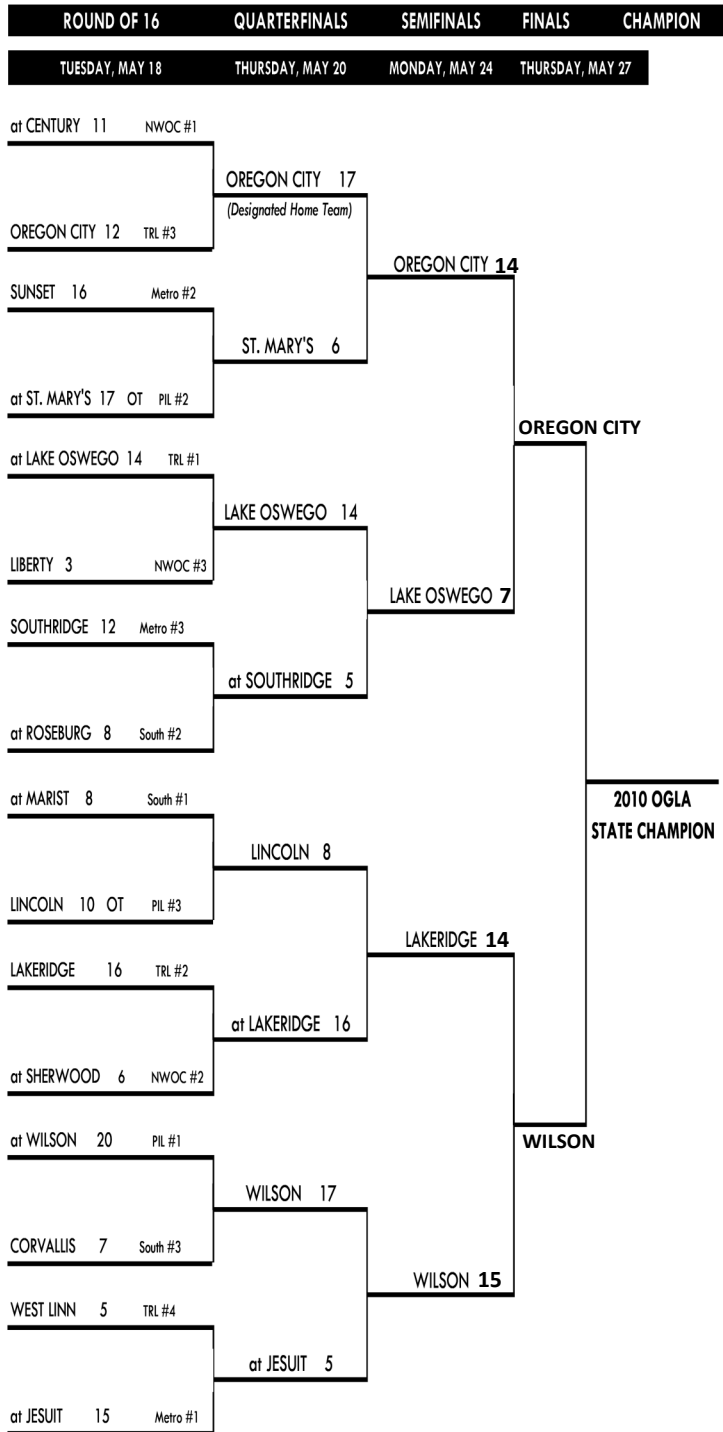

***2010 Jay Castle Memorial Scholarship
 will be awarded at half-time of the Championship Game***

All-American & Academic All-American

The Oregon Girls Lacrosse Association will be submitting names to the Oregon Chapter, US Lacrosse for selection to USLA's All-American and National Scholastic All-American rosters. The results will be published on the OGLA website in mid-June.
