

SUNSET LACROSSE

Youth and High School Lacrosse, Portland, Oregon

Dear Business Director,

January 18, 2010

On April 17, 2010 Sunset Lacrosse Club is sponsoring an annual Civil War game between the Oregon State University and University of Oregon men's lacrosse teams. Last year's event was an outstanding success and feedback received from the teams and fans noted fun was had by all. It is an honor for us to be able to sponsor and promote the game of lacrosse as well as showcase the two college teams. The event is put on by volunteers from our high school and youth programs.

The Sunset Lacrosse Club is a 501c(3) not for profit corporation (tax id # 20-0107265) that serves and supports the Sunset High School boy's and girls lacrosse teams. We are also considered a "Community Sponsored Club Sport" in the Beaverton School District and consequently are entirely self supporting. We serve approximately 120 Sunset students annually. Our revenue sources are limited to player fees and monies received through fund raising and donations.

Thanks to our dedicated players, coaches and volunteers our teams have had great success in recent years. Last year both boys and girls varsity teams won the Metro League. The boys made it to the State Semi-Final round. We are a no-cut sport and anyone in Sunset's attendance area is eligible to play lacrosse for Sunset. Financial aide is offered to those in need so that cost never determines someone ability to play the great game of lacrosse. Despite the financial pressures on our club, we have been able to keep our player fees level for a couple years.

Here is where we would like your help. During the course of the Civil War event we hold a raffle. Proceeds from the raffle will go to OSU and UO as well as to our own lacrosse programs. The universities are gracious enough to travel to Portland and play this special game away from their own campuses and as such we support their cause. Sunset will use remaining funds as a means to control our player fees, offer financial aide to those in need as well as maintain equipment.

We know you receive many requests for donations, probably far more than you can possibly accommodate, especially given our current economy. However, we hope that you would consider a donation of a product or service that can be used as a raffle item. Anything that you can do is greatly appreciated and will be a real benefit to the club and community. Your company will be identified as a contributor and sponsor of this event and Sunset Lacrosse.

Thank you in advance for your help! If you have any questions or concerns OR would like to help in another capacity, please feel free to contact me. Information about Sunset lacrosse as well as the Civil War event is located on our website at: www.sunsetlacrosse.com. We also extend an invitation for you to attend the game and days events.

We very much appreciate your consideration,

Steve Hofmeister
