### Simsbury Gridiron Club Mission Statement:

**To maintain a perpetual Club whose purpose is to assure the viability of the football programs in the town of Simsbury. The organization will provide services to offset gaps in funding and other deficiencies which may arise. The Club will not only serve as primary communications vehicle for program needs, but also related activities. Success will not be measured by mere wins and losses, but by the betterment of all associated with Simsbury Football.**

Hello and Welcome the 2009 Football Season,

On behalf of the Simsbury Gridiron Club, I would like to thank you for joining the Simsbury Gridiron Club (SGC). SGC serves as both a fundraising and organization/support group for the football programs in Simsbury, in particular helping to support the large and complex SHS Football program led by head coach Jeff Osborne.

Your nominal membership fee of \$25 per year helps us to:

- 1.) Purchase important equipment for the SHS Football Team
- 2.) Support financially strapped high school players both through equipment and through football camp scholarships
- 3.) Organize and support the logistics of over 36 high school freshman, junior varsity and varsity games per year.

Again, thank you for participating in the Simsbury Gridiron Club. We look forward to another great fall of football!

Sincerely,

John Helmkamp  
President, SGC
