

SUMMER PASSING LEAGUE

The passing league is intended to allow high school athletes opportunities to gain skill, confidence, and a better understanding of route running and defensive coverage's. The league will push athletes to their potential. The objective is to have athletes ready to compete at the highest level possible for their fall high school athletic endeavors. Four teams will participate in the league, with nightly round-robin competition. There will be one coach per six athletes (CIAC Rule). The league is run by Jeff Osborne at SHS.
