

EVALUATION DAYS FOR NEW CANAAN BASEBALL/SOFTBALL, INC.

- DRESS COMFORTABLY - Sneakers, comfortable clothes and a glove are a must. Feel free to use batting gloves, if you wish.
- MUST SHOW UP - Evaluations are mandatory. We are committed to team parity so your compliance is essential.
- DON'T ARRIVE EARLY - Please note the evaluation timeslots below. There is a line at the start of each evaluation session so it's smart to show up a little later, to zip right through the process.
- SIGN IN FIRST - You must stop by the sign in table to receive an identification badge. Players will be ushered into the gym and parents are NOT PERMITTED IN THE GYM.
- NO ONE GETS CUT! - Please remind your player that these are not tryouts. Everyone will get on a team. These are evaluations only to obtain an even, controlled measure of the entire division by a group of commissioners and coaches and to ensure parity in team selection.
- BIRTH CERTIFICATES - If you have not provided us with a birth certificate ever, please remember to hand it in by that day.
