

Rocky Hill Little League Logos

There is a Google font that can be used with the logos that is the same as the font for the Baseball, Challenger, Softball line. It is called Play. Here is the URL to get it: <https://www.google.com/fonts/specimen/Play>.

Social Media

Logos for Social Media called FB_profileimage. The .png file has a transparent background.

Logos for the Web

The logos for use on the web are labeled with _forweb. These are smaller resolution pixel based images made for the web. There are three versions:

- rhll_logo_forweb_withfield: This is the full logo with the baseball and field in the background.
- rhll_logo_forweb_nofield: This logo does not have the baseball and field in the background.
- rhll_logo_forweb_nobcslne: This version of the logo just has Rocky Hill Little League. There is no background image nor the line that says Baseball Challenger Softball.

Logos for Print and Apparel

The logos for use in print materials and on apparel are labeled with _forprint or specifically for apparel. These logos have all outlined fonts and are vector based. There are 5 versions:

- rhll_logo_forprint_withfield: This is the full logo with the baseball and field in the background.
- rhll_logo_forprint_nofield: This logo does not have the baseball and field in the background.
- rhll_logo_forprint_nobcslne: This version of the logo just has Rocky Hill Little League. There is no background image nor the line that says Baseball Challenger Softball.
- rh_logo_forhats: This logo is only the RH logo that is used for hats
- rh_logo_foruniforms: This logo is only Rocky Hill and can be used for uniforms.
