

## **GLASTONBURY HARTWELL SC**

### **DOC UPDATE - 05/09/10**

Have taken in 14 travel team practices and have observed everything:

- Well organized sessions; Poorly organized sessions
- Relaxed environments; Somewhat tense environments
- Soccer-minded coaches; Non soccer-minded coaches
- Patient coaches; Agitated coaches
- Engaged players; Non engaged players
- Etc, etc.

Observed 6 Hartwell Tournament games. Was most impressed with Joe Paiva's girls as a whole. Team had good shape in attack and defense and his players had good ideas.

Created the following documents:

1. Player eval (to be completed by coach prior to tryouts)
2. Softened version of coach eval (completed by SPFC Doc after session w/Travel coach)
3. Travel tryout player eval (completed by evaluators at Travel trials)
