

Recreation Directors Report – February 2010
Sue Buckley and Tim Cavanaugh

1) Registration is open. Numbers are slow to come in, which is not unusual. Total 563 as of Sunday morning. Boys do other sports in the spring so we are not concerned that their numbers are lower than the girls, this is the general trend.

- K – 74 (32 Boys)
- 1st – 82 (26 Boys)
- 2nd – 85 (22 Boys)

- 6th, 7th, 8th – 90 (26 Boys)

Flyers have been distributed to some schools. Pending: Hopewell, Eastbury, Gideon Welles and Smith.

Flyers were not distributed as planned to pre-schools since the program went to waitlist in 4 days.

- 2) Division Coordinators meeting to be held on February 22nd.
- 3) Training Plan attached.
- 4) PreK very popular. We are opening it up to 128 kids (8 sessions). However we would rather not limit the number as long as we have DOC's for the training.
- 5) T-Shirt sponsors contacted. None have said no, some are still pending contact back. This is a combined reach out with MaryKay and Sue due to sponsors that also support the tournament. We will continue to work with our sponsors over the next few weeks.
- 6) T-Shirts - We will contact Recognitions to determine cost and timelines. Will do this next week. Also need to order water bottles for PreK.
- 7) Photo Day – Betty Davis has reserved 3 dates with Sportography in the fall. They are: September 11th & 25th and October 2nd.
- 8) Referees – Yesterday, Tim sent a note to Joanne Marcoux requesting documentation on the process.
