

2010 Falmouth Adult Hockey League

Since 2003, the FAHL strives to provide fun, competitive hockey for adults during the summer months. In order to keep teams as even as possible, rosters are selected by draft about 1 week prior to the start of the season. Some skaters are well known to the team captains while others are relatively unknown or registering for the first time. In order to assist the captains with their selections and to give you a better chance at being selected, please fill out this form to the best of your ability. If you do not complete this form you may not be selected. If you knowingly falsify any information you will be removed from the draft.

Thanks for your understanding.
