

2018 Northboro Baseball and Softball Association Sponsorship Program Tiers and Signs

NBSA is a non-profit, volunteer-staffed organization that has been providing the opportunity for the children of our community to play baseball and softball for decades. We depend on the generous support of local businesses and families to continue our mission. Below you will find our 2018 Sponsorship Program donation tiers ranging from \$150 to \$1,000. The Double Tier and above makes your business eligible to sponsor an entire team and your business name will be proudly displayed on team uniforms or hats. Your sponsorship makes it possible for kids to play baseball and softball in a safe, enriching environment. As an added benefit, your business will gain visibility and recognition in the community.
