

Youth Basketball Boys 3rd Grade Game Rules

This program is designed to enable all young people who want to play basketball have the chance to do so. This philosophy does require that a coach take the time and effort to train the child in skills and rules. With this in mind, the **program mandates that coaches play all players an equal amount of time**. This is a recreational program intended for all team members, both for their enjoyment and education in the game of basketball. **REMEMBER ... the program is for the kids, so let them play and enjoy the game.**

These rules are set and cannot be changed from game to game. They are to be followed; if a rule change does occur it will be implemented by the Parks and Rec. department with prior discussion from the League Commissioner. The rule change will be sent via email to the coaches prior to that week's game

- All games are to be played with a JUNIOR SIZE REGULATION basketball on 8 foot baskets.
- National Federation High School Rules apply except as outlined below. **There are no three point baskets.**
- WBA Jerseys are furnished and must be worn at all times.
- Players must wear shorts (black is the preferred color).
- Sweatbands must be worn on wrists or head only.
No Jewelry of any kind may be worn.
- Only one coach per bench is allowed to stand. Head coaches are allowed to stand to "coach" players and then must return to bench and remain seated. Assistant coaches must remain seated at all times.
- **START OF THE GAME:** Each coach will meet at half court with the officials for introductions and clarification of any rules.
- **JUMP BALL/POSSESSION:** At the start of the game there will be a jump ball, the team not controlling the ball after the tip will take possession on the next jump ball or end of half situation. We will use the alternating possession rules on jump balls. Teams will continue to alternate throughout the game.
- **BORROWING PLAYERS:** No player will be permitted to play down. If a team can not field five players at the start of a game, you must borrow from the other team or use other players in the league that are available at that time to field a team. A team may borrow as many players as they wish to give them a roster of up to seven. If a coach knows in advance that they will have less than seven players at game time, the coach **must** contact the league commissioner to get approval for any advanced arrangements. Borrowed players should be of roughly the same skill and physical appearance as those who are missing from their team and must be part of the Boys 3rd grade league. There are no forfeits.

EQUAL PLAYING TIME: **All players must play EQUAL TIME.** All players will play in each half of a game. All players must be substituted for during each half. **(No player should play an entire half, unless there are only 5 players).** If a coach wishes to decrease playing time for particular players due to missed practices or games, the coach must get the approval of their league commissioner first. Coaches **CAN NOT** play one or two players significantly more than others.

PRESSING: **No full-court pressing is allowed at any time.**

DEFENSES: Teams may only play man-to-man defense. **The defensive team may begin defensive tactics once the offensive team has passed the top-of-the-key extended of the basket at which they are shooting.** Once this line is crossed, the floor is open and it does not matter whether the offensive team retreats back behind that line (it is not a safety zone.) A team may not stall either by holding the ball before this line. If such a case arises, officials will inform the offensive team to either move forward or face loss of possession. A defensive player may leave their man to double team another offensive player with the ball only if that offensive player is in "the paint." Teams may not have a roaming defender "hawking" on the offensive player with the ball.

TIME: A game will consist of two twenty minute halves, running time. There will be a two minute halftime. The clock will stop every 5 minutes for appropriate substitutions and re-alignment of players so each child knows who is guarding who. **The clock will also stop for the following reasons only:**

1. Time outs
2. Injury
3. On the whistle for the last two minutes of each half
4. At the discretion of the official
 - The clock will start when the ball is put into play

OVERTIME: There will be no overtime periods during the regular season. If a game is tied, at the end of regulation, the game will end in a tie. The regular season is used to teach participants the game and for tournament seeding only.

TIME OUTS: Each team will receive two one-minute time outs per half that may be called by the coach. You will not be able to carry over your time outs if they are not used.

3 SECONDS: There will be a five second violation in place of the normal three second violation.

FOULS: Players are allowed five personal fouls per game. If a player fouls out and there is no one to play to make five on the floor, that player who fouled out may re-enter the game with the consent of the coaches. If the opposing coach is not in agreement, the game may be finished with four on the court for that team. If this player remains in game and commits more fouls the penalty would be treated as a bench technical the ball awarded to the other team. If an injury or foul situation puts a team with fewer than 5 on the floor, the last player who fouled out may return to the game. Any subsequent fouls on that player will be treated as a team technical the ball awarded to the other team.

TEAM FOULS: Each team is allowed six team fouls per half. On the seventh team foul, the team is in the penalty phase. The team that was fouled will receive one point and the ball. On the 10th team foul the team that was fouled will receive 2 points and the ball. Any player fouled during the

act of shooting will be awarded 1 point and the ball at any time during the game. Any player fouled in any other capacity will always be awarded the ball out of bounds.

 **FLAGRANT FOULS:** Will not be tolerated and players will be dismissed from the game.

 **PLAYER TECHNICAL FOULS:** Players must be given 1 warning before a technical foul can be assessed, unless the foul is flagrant. First technical foul the ball will be awarded to the other team. A 2nd technical foul will be an automatic ejection from the court and adjacent seating area for the remainder of the game. Any technical foul due to unsportsmanlike behavior (flagrant) will be automatic ejection from the court and adjacent seating area for the remainder of the game. There will also be a 1 game suspension for the next regularly scheduled game. Any player receiving a technical foul during their game due to arguing with officials or exhibiting poor behavior will be asked to leave the gym and will automatically be suspended for the next game. The Basketball Board will review each case as it presents itself and will make rulings for those coaches who become suspended. On a coach or bench technical foul the ball will be awarded. All decisions by the official are final.

 **COACHING TECHNICAL FOULS:** Coaches must be given 1 warning before a technical foul can be assessed. First technical foul the ball will be awarded to the other team. A 2nd technical foul will be an automatic ejection from the court and adjacent seating area for the remainder of the game. Any technical foul due to unsportsmanlike behavior will be automatic ejection from the court and adjacent seating area for the remainder of the game. There will also be a 1 game suspension for the next regularly scheduled game. Any coach receiving a technical foul during their game due to arguing with officials or exhibiting poor behavior will be asked to leave the gym and will automatically be suspended for the next game. The Basketball Board will review each case as it presents itself and will make rulings for those coaches who become suspended. On a coach or bench technical foul the ball will be awarded. All decisions by the official are final.

 **EJECTIONS:** If officials and supervisors feel that a player, coach, spectator or team is uncontrollable, they have the authority to eject that player, coach, spectator or team. If a team is ejected, the game will be forfeited to the opposing squad. A team may not continue to play if the coach has been ejected, unless there is an assistant coach or parent who can continue.

Continual negative or unsportsmanlike actions will result in the banning of that player, coach, spectator or team for the season by the Parks and Recreation Department.

A team along with the coach, is also responsible for, and will be penalized for, the action of its fans (i.e. technical foul)

 **SCOREKEEPING:** Both teams need to supply one parent to work the scoreboard and one parent to fill in the score sheet for every game. A rotating schedule of parents should be set up by each team for every game throughout the season to make sure that the scoreboard positions are covered each week. If you cannot find a parent for that week's game then your assistant coach will have to do one of the above.
