Each park needs to pay their league fees for all football and cheerleaders for the number they have on July 25th this will give us a week to make deposits and purchase insurance before the first practice on August 9th. There should be no camps where coaches and teams are broken down into squads prior to August 9th.

***NYSCA is available to any new and returning coaches online @ <http://nays.org> – therefore the NYSCA course will not be done in person. Please urge all new and returning coaches to take this online**
