Coaches, Managers and Parents,

MCYH will present the opportunity for families to sell their used or outgrown TRAVEL jerseys and purchase pre-enjoyed larger sizes as required. Availability will be based on number of participants and sizes brought in. Tables will be set up and all transactions are between individuals. Monroe County Youth Hockey is only getting everyone together. Suggested price is \$55 per set for consistency but it is ultimately up to the individuals.

There will be the availability to order new jerseys at a cost of \$110 per set.

There will also be a local vendor present to handle any nameplate or numbering needs.

Please contact Sal Gorino (sgorino@mcyh.net) or Nick Nucci (nnucci1@rochester.rr.com) if you have any questions.
