

Welcome to the SkateZone's US Figure Skating Basic Skills Skating School Program. Our group classes begin with the basic skills for figure, hockey or recreational skating and progress through freestyle figure skating, teaching jumps and spins. Classes are open from ages 2 through adults and are taught by our staff of professional skating instructors. Through evaluations and testing, skaters progress through levels in a structure that is rewarding and fun!

## Helpful Information

- **Skaters should arrive** at least 15 minutes before the class start time.
- **Dress** comfortably and warmly with long pants, a sweatshirt or jacket, socks and gloves.
- **Helmets** are strongly recommended for beginners.
- **Ice skates** should fit snugly and be laced all the way to the top. For figure skates do not wrap the laces around the back of the ankle; instead hook the laces around the hooks again making your way back downward to take up the extra lace length. Only hockey skates should have the laces wrapped around the back of the ankle.
- **I.D. NAME BADGE** - Upon check-in, each new member will receive a name badge that must be worn to every class. Returning skaters must bring their badge with lanyard and will be issued a new insert with their day and level for the current session along with their new Public Skate Pass. **Skaters will not be permitted on the ice without their name badge.** One exemption is granted per session; please see the Skating Director for a temporary badge. Replacement badges cost \$5.00.
- **Make-Up classes** must be scheduled in advance on another day that classes are offered. One make-up per session pending availability. Please call or email for scheduling.
- **Public Session Practice Pass** - Four free Public Skate admissions are included with each registration. They may be used at any public skate during your session except, Friday night 'Teen' Night. The more you practice, the faster you will master your skating skills.
- **Basic Skills Practice Sessions** are 30 minutes on Thursday's at 4:45pm or Saturday's at 9:55am. The cost is \$5.00 or you can use your Public Session practice pass.
- **Parents/Guardians** - Do not leave your children alone at the ice arena.
- **Private Lessons** are available by our Professional Coaching Staff. If there is a particular coach you are interested in you may approach them directly for scheduling or see the Skating Director for assistance.

**We are inspired to make our skating school the best possible experience for you and your family. Together, we can be successful and proud of our accomplishments. We thank you in advance for respecting and adhering to our policies.**
