FMF Heroes

Come January we will be saying goodbye to a few members of the FMF family. In particular there are special people who have served our program as board members, coaches or both. Their length of service covers many years. All of them are dedicated, committed, caring, and unselfish people who spent a great deal of time or made sacrifices to ensure that the children of this program benefited from their efforts. It has been our great fortune as a program to have Nadine Spencer, Chuck Carmone, Tom Theos and Massimo Martignetti serving FMF. You are a big part of why FMF is the best youth organization in town and we at FMF want to say thanks for everything. You will be sorely missed. If you find yourself getting bored with all your free time give us a call, we can probably find something for you to do.
