RECREATIONAL SOCCER PROGRAM OVERVIEW

Looking for a great way to play soccer with friends?

WYSC'S RECREATIONAL SOCCER PROGRAM IS FUN, FLEXIBLE AND AFFORDABLE

Warrenton Youth Sports Club has been Fauquier County's choice for recreational soccer since 1999. Since its founding nearly fifteen years ago, WYSC has been at the forefront by introducing concepts like reduced field sizes and small-sided games to the region without forgetting the focus on the enjoyment and development of its players.

Recreational Soccer Caters to Wide Range of Players, Ages

Warrenton Youth Sports Club was founded in 1999 with a specific focus on developing a fun, flexible and affordable recreational soccer option for the residents of Fauquier and neighboring counties.

With that goal always at the top of mind, our recreational program caters to the needs of a wide range of players and their families.

Under 5 and Under 6 Division

WYSC's "U5 Division" for players under the age of 5 " is strictly instructional. The children are taught basic skills and engage in fun soccer activities. The emphasis is on fun – you can tell by all the giggling!

Our U6 teams play in small-sided games with small goals. Our youngest players get the idea of moving with the ball, kicking toward a goal. Sometimes passing actually takes place – frequently by accident. Again, fun is the primary objective and although goals are recognized with loud parental cheering, scores are not recorded.

Older Age Groups Offer Fun Competition

WYSC also offers divisions for U8, U10, U12, U14 and U16 players. As the children progress from one age group to the next, the fields get bigger and team rosters get larger. Scores are recorded and division winners are celebrated.

Warrenton Youth Sports Club also hosts an end-of-season recreational tournament for all teams in the U8 and up age groups. A minimum of three games are played over a weekend with championship games played for top finishers.

Goalie Training Available

As an added plus for rec players, one player from each team is eligible to attend a once-a-week goalie clinic. WYSC covers the cost of the clinic.

Small Fields, Small Sided Games

The founding members of Warrenton Youth Sports Club, a dedicated group of volunteers who are passionate about soccer, have worked tirelessly to build a recreational soccer program for the community that offers state-of-the-art facilities and an organization that remains
