

Dear Coaches,

Thank you for your interest in our cheerleading camps! We would love the opportunity to work with your cheerleaders this summer! While instructing youth groups of cheerleaders, we strive to create an atmosphere that focuses on learning *and fun*. Our trained instructors will divide the camp into smaller groups and run rotations of activities such as jumps, cheers, and stunts. In small groups the cheerleaders will receive personal attention from our instructors and have fun perfecting their skills and techniques, and learning new material. Periodically the groups will take small breaks to play team-building games that encourage cheerleaders to interact both with their own squad members and with other squads as well.

Our camps are run from 9am-4pm. We have tentatively scheduled your camp for two days (Saturday and Sunday) in the 2nd or 3rd week of August. With a camp of less than 200 cheerleaders, the cost per cheerleader to attend the 2-day camp is \$40. If enrollment increases to more than 300 cheerleaders the cost per cheerleader is \$35.

Please contact Paige Best (203-417-0380 or bestcheerleading@aol.com) with any questions or for more information on our summer camps. We look forward to the camp this summer!

Cheers!

Your friends at Best Cheerleading
