

Each NYSL coach and assistant were emailed a special coaching password. This password can be used to get access to sections of the web site that parents on the team will not have, such as the ability to update game scores.

To update game scores, first login using your coaches (manager) password.

Login uses first name, last name.

Login in with your manager password will take you to the admin page. The options you have access to will be visible. Other options are grayed out.

Team **Resources**

Tip: Help your members register faster with the new "Register Now" button. Configuration > Home Page Components > Register Now Button.

Association Team Referees

Result Entry Form

NOTE: This form is intended primarily for entering multiple game results at one time. If you need to enter a score for a single game and would also like to enter commentary, or you would like to amend a previously entered score, you should instead use the Results page for your team. Each game is listed there and when logged in as a team manager or administrator, there is an edit icon to the right of each game that you can click to enter or edit the results.

Date	Time	Location	Home	Score	Away	Score
Sat 09/10/2011	0:00a	Mass Falls 2	U-10 Boys > 364	7	U-10 Boys > 363	3

Submit Edit Result Detail

The results will now show be reflected in the site and the standings will be updated accordingly.
