FALL & WINTER CAMPS 2009

Kickz Soccer UK provide age specific camps and clinics to suit all ages, abilities and player requirements. Low player-to-coach ratios and a variety of challenging programs ensures your child is participating at a level appropriate to their requirements through a program that is fun and engaging.

Brazilian Soccer

Developed from arguably the most successful soccer nation in the world, Brazilian Tech is designed to improve individual technical skills and techniques. A great way to improve touch, control and skill.

Brazilian technical soccer is now nationally recognised throughout the United States.

Futsal

The format of small sided soccer recognised and supported by the world's largest international soccer governing body FIFA.

Using a special low bounce ball, players will constantly be placed in situations when they must receive or play whilst under pressure in confined spaces.

Kiddie Kickz

Players will be introduced to the fundamentals of soccer through an engaging games and activities designed to capture any child's imagination.

Winter Soccer

Fall mini soccer camps are available to both travel and recreation soccer players. Players can top up their skills and techniques on this camp specifically focusing upon individual skill development. Players will be divided into age and ability specific groups with low player to trainer ratio to ensure maximum enjoyment and learning.
