

## **Green B. Williams Youth Hockey Award**

The Green B. Williams Youth Hockey Awards was established by Carla Williams Rossiter in memory of her brother, Green. B. Williams. Green died in an Air Force pilot training mid-air collision in 1984. He played hockey for AHA, Amherst Regional High School (1970-73) and Rochester Institute of Technology (1973-77).

The Green B. Williams Youth Hockey Award will provide financial assistance to children participating in the Amherst Hockey Association Youth Hockey program for the upcoming season. Award(s) will be presented at the Hockey Banquet in the spring. The award may cover up to the entire registration cost (including evaluations) of the upcoming season.

We want to recognize children who are dedicated to learning in school, have a strong interest and desire to play hockey, have a positive attitude and good sportsmanship and the family is committed to school achievement and hockey participation. The award is available to children regardless of race, color, sex, religion, or national origin.

### **Requirements:**

- Child must be registered member of the Amherst Hockey Association and;
- Eligible for travel team roster (Mites through Bantam); cannot be participating in any other hockey or skating program

### **Procedures and Application Process:**

1. A parent or guardian must fill out the Application Form.
2. Please ask your **child's teacher or guidance counselor** to fill out the Nomination Form and return to parent or guardian.
3. A parent or guardian must sign the Permission Form to contact your child's nominator and hockey coach.
4. The entire packet (application, nomination, & permission form) must be submitted by February 15th.
5. Decisions will be made and awards will be presented at the Hockey Banquet for the upcoming season.
