

CHELMSFORD YOUTH BASEBALL

PATRIOT DIVISION

We're looking for some new
athletes to join our teams!

The Patriot Division is a program for physically & mentally disabled children of all ages. The youths participate in a program designed to their abilities and focused on having fun.

Our division consists of two teams. We play each other twice a week during our six week season, as well as occasional games against Challenger teams from other towns.

The smiles say it all!

Come on out and join in the fun!
