MASS BAY YOUTH LACROSSE LEAGUE Partners w/ Boston University Men's Lacrosse

MBYLL is partnering with Boston University Men's Lacrosse to promote several youth events to be held at Nickerson Field along with the remaining home games for the Terriers. Having the nationally ranked NCAA Division I program in the confines of the city of Boston allows many Mass Bay Youth Lacrosse players and families the opportunity to see and support one of the top lacrosse programs in the country with more access and exposure to the team and its coaching staff. The partnership will help grow the game of lacrosse across the entire state and expose thousands of youth players to the collegiate experience.

All coaches with a valid MBYLL coaching card will receive free admission to the Boston University Men's Lacrosse remaining regular season home games this season. Coaches must possess their card, valid through the 2016 season to take advantage of the offer.
