

February 16, 2010

Dear Supporter,

I am writing to you on behalf of the McDowell Boys Lacrosse Boosters Club. We are a not for profit organization created to support the boys lacrosse teams at McDowell High School and the three Millcreek Township Middle Schools. Since our lacrosse programs receive no financial support from the School District our Boosters Club is charged with raising substantial funds, above and beyond dues paid by our players, to allow the Club's 100 + boys to compete each spring.

This program serves our school children and helps them stay physically active in a positive and competitive environment, and affording many boys the opportunity to participate in the sport of lacrosse for the very first time. Our objective is to raise the funds necessary to help offset travel, field maintenance, equipment purchases, and all other costs associated with the program. Since there is not yet school funding for our program, this is the only means to build a great organization that in turn gives an affordable sporting alternative for students.

On March 28, 2010, McDowell Boys Lacrosse Boosters Club will host our annual Pasta & Lacrosse event at our local high school. There will be a Silent Auction with items donated from parents, families, and other organizations such as yours. All proceeds from this event will be used exclusively for the costs associated with supporting our program.

Will you please support our program by sending a donation to the club or an item we can enter in the silent auction? Please send all donations directly to the McDowell Boys Lacrosse Boosters Club. If you would prefer someone stop and pick up the donation, please contact me. Thank you in advance for your support.

Sincerely,

The McDowell Boys Lacrosse Club is administered through McDowell Boys Lacrosse Booster Club. McDowell Boys Lacrosse Boosters Club is a non-profit organization, but is not a 501(c)(3) tax-exempt charitable organization.

McDowell Boys Lacrosse Boosters Club, 4532 Peach Street, Erie PA, 16509
