

# ***UNIVERSITY OF MARYLAND WINTER SKILLS CLINIC***

This clinic is designed to focus on the individual development of the attack, defense, and midfield positions.

- Offensive emphasis on proper dodging, shooting, and feeding technique. Introduce University of Maryland team offensive schemes
- Defensive emphasis on footwork, defending angles, defensive stickwork, and teaching University of Maryland team defensive schemes.
- Each player will be afforded the opportunity to work one on one with members of the University of Maryland coaching staff, and with current University of Maryland players.
- For current high school players.
