DEVILS LACROSSE CLUB

OVERVIEW

The mission of the Devils Lacrosse Club (DLC) is to teach and support the game of lacrosse in an environment of safety, respect and fun. The program has several goals:

We strive to provide our players with the appropriate level of coaching instruction; we seek to build a player's confidence in learning lacrosse skills; we aspire to develop a sense of teamwork, fair play, and respect for rules, opponents, officials, teammates and self; and we aim to develop character values that will benefit today's players in later years and in other endeavors. Players will learn the value of teamwork, determination and commitment AND have a great time playing lacrosse.

Devils Lacrosse Club offers a lacrosse program for boys and girls during the spring season for residents of the greater Flemington area. DLC's Program is open to boys and girls in grades K – 8.

Proceeds from this event directly benefit the programs at DLC. Your support will help make it possible to continue the programs and help us develop our own Lacrosse field system which is currently in the planning phases. DLC is a 501(c)3 non-profit organization and is a member of U.S Lacrosse. Enrollment in 2016 continued to grow with well over 300 boys and girls in grades K through 8.

DLC follows the youth sports philosophy espoused by the Positive Coaching Alliance, a Stanford University-based organization with a mission to "transform youth sports so sports can transform youth."

Thank you for your support! Honor the Game!
Board of Directors - DLC

To benefit all Lacrosse players in the
Devils Lacrosse Community
