Support Your Club!

grizzlyscrip.com

Want to support your favorite GBHS club or team without spending any extra money?

GBHS Booster Club is now offering online Scrip Gift Cards sales to parents and friends of GBHS. You are able to designate which GBHS team or club gets the proceeds from your purchase.

WHAT are Scrip Gift Cards? Scrip gift cards are actual gift cards just like you would purchase from a retailer. The retailer sells them to the school at a discount. You pay the full value of the gift card. Your club or team keeps the profit. There is no extra cost to you to support your Club while you purchase cards for items you use every day. Scrip gift cards are not to be confused with E-Scrip (Safeway & Raley's Club cards).

HOW do I order? Order online at www.grizzlyscrip.com. When you register, you designate which GBHS club/team gets the profit.

HOW do I receive the gift cards? There are 2 different ways to get your cards; you can pick them up at GBHS or have them mailed to you for a nominal shipping fee). You indicate which method on your order.

How much could your Team/Club earn when you purchase Scrip Cards?

If you shop/dine at any of the more than 100 scrip retailers, the money spent could be working to support your team/club. It costs you nothing more! Here's a sample order:
