

**All-Star Team Player-Participant Form 2010**

**THIS FORM MUST BE COMPLETED & RETURNED TO THE  
TEAM MANAGER NO LATER THAN MAY 1, 2010.**

The Brownsburg Girls Softball League will sanction and sponsor All-Star teams in any and/or all divisions except the 6-under division. In addition, the league will provide a shirt to each player-participant, manager, and up to two coaches on each All-Star team. The league will pay, in cash or kind, entry fees for up to two Board approved tournaments for each All-Star team, plus the league's Invitational Tournament. League sponsored slow-pitch All-Star teams are required to participate in the Brownsburg Invitational Tournament and will be required to provide volunteers from player-participants, managers, coaches, and parent/guardians to assist with the tournament as needed (i.e. concessions, grounds).

There is no tryout process for All-Star player selection. Selections are based on the managers' assessments of the players' ability as demonstrated through regular season. All-Star team player selections will be held during the week of May 8, 2010. Players will be selected from the list of player-participants that made themselves eligible on this form. Any player selected to an All-Star or State Team cannot quit one team to play for another without petitioning the board for approval.

Once All-Star teams have been constructed, they may practice on Saturdays after league play and Sundays until the conclusion of the regular season and anytime thereafter. All league games, practices and activities take precedence over All-Star team activities in each respective age group. All-Star team participation will require a substantial block of time, compared to regular season, due to the short and intense nature of the tournament season. At least two and probably three entire weekends will be committed to tournament travel and/or play, with possible daily practices anticipated throughout the weeks of the tournament season. The All-Star season can run through the end of August.

To assist the All-Star managers in putting together their teams, BGSL asks each regular season player-participant to complete this form indicating availability and desire to play during All-Star season. From a fairness and competitiveness standpoint, it is important that those who wish to be considered for All-Star teams be available for practices and the weekend tournaments during the entire All-Star season. Please indicate below if you are interested and wish to be considered for selection to an All-Star team. Being available does **not** guarantee selection to an All-Star team.

Additional information regarding All-Star teams is available in Section 10 of the BGSL Competition Handbook.
