Hillsborough, NJ 08844
ATTN: Diamond Club

Dear Sponsor,

It is our hope that you will consider supporting the Hillsborough High School Raider Baseball team.

The *Hillsborough Raider Baseball Diamond Club* is an organization that unites the parents of the high school baseball team and the community as a family in support of the baseball program. With a mission to support our players and provide equipment and supplies beyond what is budgeted by the school, the Diamond Club is proud to have supported Raider Baseball for over 14 years.

Over the years, the program and the players have achieved some remarkable accomplishments. In addition to academic excellence, approximately 70% of our graduates have gone on to play collegiate baseball. These players have earned scholarships, set team records, and have earned All American status. A few players have even moved on to the professional ranks. Regardless of their path after Raider baseball, players treasure the experience of being part of a program that espouses the values of teamwork, high academic standards, and family and community service.

In addition to our Rent-a-Raider program that helps teach the concept of service to the players, other fund raising efforts include an annual pancake breakfast, fall pie sales, the Diamond Club Dance and our end of season car wash. We also offer sponsorship opportunities.

Enclosed are details of sponsorship opportunities. Many of our current sponsors have seen great results from their sponsorship. We actively encourage our members, their families, and our players to utilize the services of our sponsors. Additionally, we will also announce our sponsor's special promotions during varsity home games if requested.

The Raider Baseball definition of TEAM is simple: "Together Everyone Achieves More". We would be honored if you would join our team and support the future of these young men and our program.

Should you require further information, please contact Jennifer Watson email: Watson_Jennifer@me.com.

Thank you for considering supporting the team. Your support is important to us, as is your kindness and generosity – it is an investment in the future of the program – and of the players.

Regards,

Eric Eden, *Head Coach*
HHS Raider Baseball
