Building Future Stars

What is the REV Lacrosse Academy?

The Cape Ann REV Lacrosse Academy is presented by Revolution Lacrosse, a top five nationally known Club Team that provides players the opportunity to Be Someone and reach their potential. Ten years old, REV is a developmental program that consistently produces top High School and College players. We have developed over 1000 players from 1st-12th grade and cannot wait to work with you!

REV & Cape Ann Youth Lacrosse

Many of you participated in the REV & Cape Ann Collaboration this spring. From the moment REV and CAYL connected there was instant chemistry, which fueled each session and made it amazing. The REV Lax Academy is an opportunity to continue what we began in the spring through personalized attention from the REV Staff.

This 4 day, REV Lax opportunity is selectively for Cape Ann Youth Lacrosse players who want to develop their skills, while bonding as a team and having more fun than they thought possible!
