

2011 WYVL Player and Coach Registration Information

Badger Region Volleyball has gone to an online registration system, so the player and coach registration for the WYVL will be a little different this year. **If you were involved in club volleyball and have a current 2010-2011 Badger Region/USA Volleyball membership, you do not need to register again! Just take your membership card to your team leader!** This membership is only good for the WYVL season and ends Oct. 31. To participate in club volleyball for the 2011-2012 season, you must register with Badger Region/USAV prior to tryouts. *(The BR/USAV season runs from Sept. 1 to Oct. 31 of the following year, i.e. Sept. 1, 2010 – Oct. 31, 2011)*

Registration will be open July 1 to August 15. Any player or coach who does not have a current membership with Badger Region/USA Volleyball must do the following prior to participation:

1) If you (coach or player) have never been a member of Badger Region/USA Volleyball:

- a) Go to https://webpoint.usavolleyball.org/wp/memberships/join.asp?mbr_ChapterID=25951
 - i) Enter the information of the member on the first page, click continue. On the second page, choose “WYVL” as your club and choose “WYVL Membership” for \$20 as your membership type. (Coaches: under “Junior Program Roles” please select “coach.” You will be prompted for an \$18 background screen.) On the third page, pay by credit card and read and accept all waivers. Click to submit the application. Minors will need parental approval. Print your confirmation email and give it to your coach.

2) If you (coach or player) HAVE been a member of Badger Region/USA Volleyball in the past, but are not a current member with a valid membership:

- a) Go to <https://webpoint.usavolleyball.org>
 - i) Login with your information. If you have not used this website before (no one has prior to the 2010 club tryout season), you will need to “Request A Login” (click that link on the left) by entering your information. Once submitted, you will be given a username and password.
 - ii) Once logged in, verify your personal information on the first page and click continue. On the second page, choose “WYVL” as your club and choose “WYVL Membership” for \$20 as your membership type. (Coaches: under “Junior Program Roles” please select “coach.” You will be prompted for an \$18 background screen.) On the third page, pay by credit card and read and accept all waivers. 2011 WYVL Player and Coach Registration Information

PROGRAM LEADERS

Prior to being allowed to play, you will need to submit to the Badger Region office, a team-by-team roster with all **player names, birthdays and jersey numbers BY AUGUST 17**. The Region office will then create a roster for your team (from club and non-club players) on Webpoint (the registration system) and send this roster to Jillian at Center Court. She will then clear your team to play. Registration for non-members will be open July 1 to August 15. We encourage you to have all of your non-Badger Region members sign up as soon as possible to avoid last-minute scrambling. New registrants should print their confirmation email and give this to you (or a designated person) prior to participation to ensure that they are a member for liability purposes. For team members who already have a USAV/Badger Region membership from club participation, they do not need to register again, and simply need to print out their membership card and give it to you. This league membership covers liability for matches held at Center Court. Because this is a joint program with your high school, practices need to be insured through your high school.

All coaches must be Impact certified and background screened. Impact must be done one time at the start of your coaching career, and background screens must be completed in the system every two years. Most coaches from last year will need a background screen – they will be prompted during the registration process. This will be an additional fee of \$18 and is good for two seasons. They normally take five business days to clear upon submission and payment.

Impact clinics (a coaching education class required to participate) are scheduled for Saturday, August 20 and Sunday, August 21 from 8am – 2pm at Center Court in Waukesha. Team leaders must register their participants with the Badger Region office PRIOR to the clinic. This clinic is free and is a benefit of your WYVL membership. Normally it is \$50.

WYVL CHECKLIST FOR BADGER REGION:

- Have non-club affiliated players and coaches register online starting July 1 (until August 15)
- Have new registrants print out their confirmation email and give it to you. Have team members who are already members print out their membership card and give it to you.
- After you know all of your members are registered, create a roster for each team and email them to jarmsondyerbadger@gmail.com (template is on the next page)
- Sign-up each new coach for an Impact (coaching education) clinic if they have not already attended one. Please email jarmsondyerbadger@gmail.com with the full list of who will be attending from all of your teams at once, with “[your High School Name] – WYVL IMPACT REGISTRATION” in the subject line

Once your roster has been received by the Badger Region office, I will verify membership and send this roster to Jillian at Center Court, who will then allow your team to play in the first tournament. **YOUR TEAM WILL NOT BE ALLOWED TO PLAY UNLESS ALL PARTICIPANTS ARE CLEARED THROUGH THE BADGER REGION.** This is for liability and child-safety purposes.

For questions regarding WYVL Registration, please call Jen Armson-Dyer in the Badger Region office at 414-443-1011 or email (preferred) at jarmsondyerbadger@gmail.com
