4. Other Business

- *We updated the council on the South Towne Expo event that we participated in last Saturday for little kids. It ended up going great. This was like an indoor carnival or sorts. They had blow up bounce houses and mechanical bulls and we brought a shooting cage. Lacrosse was a huge hit.*
- *We are looking to schedule a few more games in the Utah County area because Jason Matheny said that if that happened he would get us three more teams in our league.*
- *We also talked discussed whether or not we should have A & B divisions at the Lightning level.*

5. The Youth Budget was voted on and approved unanimously.
