

Our Mission

Our program provides a safe, fun and educational experience for the boys allowing them to participate in a team environment and build the leadership skills necessary to perform well on a team and in their life. We believe in giving back to our community not only through charitable donations but by volunteering our time to many organizations to support and strengthen our ties throughout Framingham. The proceeds from this tournament will be used towards deferring the cost of ice time, equipment and training as well as continuing education through coaching and wellness classes.
