Premier:

Training Objectives (August): ball handling, dribbling to beat opponent, dribbling to penetrate
Teams in good shape; could use more U12 players.

Academy:

Training Objectives (August): ball manipulation, speed, agility, quickness
Games kicked off 9/8 and went well. One or two more U10 players would be nice.

Coaches:

Marissa Sullivan contracted on per-game basis for U10 and U8 Academy teams.
Scott Sutarik returned to run keeper training one day/week. There will be two sessions split by age.

Satellites:

New London: 97 rec players signed up so far.

The referee assignor has had difficulty getting referees because payment is not made on day of game.
Options discussed and no changes viable; refs will continue to be paid at end of season.

Greenville: 57 rec players signed up so far.

One team had to be dropped due to no parent coach volunteers. Two players were refunded and three
other players were placed onto other teams.

Rec numbers this fall were a little low - due to delayed marketing due to system switchover and late
registration.
