## Sponsorship Opportunities for Recreational Soccer Teams

**Fox Cities United Soccer Club** is a non-profit youth soccer organization and premier soccer club in Northeast Wisconsin, offering competitive level soccer for boys and girls from ages 4 to 18. Our club is committed to giving the most dedicated players the opportunity to develop fully in all technical and tactical aspects of the game while embracing a strong character education to give every child a positive lifelong learning experience through the team sport of soccer.

To achieve our goals in helping our soccer athletes continually evolve, we are raising money through valuable sponsorship opportunities. We can promote your organization, your products or your services to our athletes, their parents, and all other community members via our website, uniform sponsorships, and our advertising.

Sponsoring Fox Cities United Soccer Club is an excellent opportunity to reach a wide and desirable demographic audience in Wisconsin and throughout the Midwest. It is also a great way to contribute to the growth and success of youth soccer, while marketing your organization and obtaining a tax benefit.

We have developed sponsorship packages with different options that allow you to choose a level that meets your organization's needs. You can demonstrate your support by becoming an affiliated sponsor.

We thank you for your support of Fox Cities United Soccer Club and youth soccer.
