SCHOOL & PTO NEWS

A MESSAGE FROM SARA SPAULDING & TAMMY ROBERTS, HURLBUTT PTO CO-PRESIDENTS

Don't forget that next Wednesday is Staff Appreciation Day! Jen Socha and Shawn Amato have put together an AMAZING day for all of our fabulous staff (thank you so much ladies)! Send in flowers with your little ones and they will be able to leave them in the classroom this year. I want to thank our very generous parent population who donated bouquets for the non-classroom teacher staff this year (not to mention all of the food and monetary donations - it is so nice to see how much we all realize our great fortune at having the top rate staff we do!). We will also be holding a general PTO meeting that morning if you have a chance, please swing by. We will be approving some philanthropy requests (please take a moment to read about the exciting "one school one book" program we are funding below - it is really cool and I am so excited the staff brought it to us!).

Next Thursday and Friday are early dismissal days (for conferences at HES and WIS). They are also the 1st Grade Mother's Day Concert days - I have had a few people ask, and YES, dads are very welcome too! The Fair will be here in a

few weeks - my kids are already planning the order of the rides they plan to go on. If you think you have any time, please, please consider volunteering for a shift (you can sign up online). It looks like the fair will be really fun this year - Dan McNeil is working really hard with the WIS chairs (Bernie Park and Gina Albert) to put it together and I am grateful to each of them. Enjoy the beautiful spring weather!

BOARD OF EDUCATION UPDATE

District news:

In the wake of the BOF decision to reduce the BOE's proposed 0.39% increase to a - 0.03% decrease in next year's budget, the district is focused on maintaining high quality education within the constraints of a fiscally responsible budget. The district has reviewed each budget line item to formulate a recommendation to the BOE to address the \$190,000 reduction from the BOE proposal. Dr. Palmer has provided details in a letter to parents ([put link here](#)). She will discuss these changes at the special May 6th BOE meeting (7:00 p.m. in the Weston Middle School LRC) when she presents the revised budget to the BOE.

There was not a quorum at the ATBM meeting last Wednesday night, therefore no further changes were made to the proposed budget, which goes to vote as it stands.

Laura Kaddis and her family were formally introduced at the last BOE meeting and the Board officially appointed Ms. Kaddis as the new principal of Hurlbutt. Ms. Kaddis comes to Weston with extensive experience as an elementary school principal. She is currently Principal of Hayestown Elementary School in Danbury, and has served in that position since 2002. Dr. Palmer noted that not only is she an excellent educator but she comes to Weston with a unique set of traits, since the Kaddis family lives in Weston and all 4 of her girls attend Hurlbutt.

Other news:

US News & World Report ranked Weston High school 3rd best high school in Connecticut and 240th in the nation out of over 21,000 public high schools in 49 states and the District of Columbia. The high schools were evaluated based on state proficiency standards and how well they prepare students for college.

TELEGRAMS

Don't forget your Telegrams for that special teacher or staff member on Staff Appreciation Day next week, Wednesday, May 8th! Forms will be going home next Monday. Simply fill out the telegrams by Tuesday, place them in a single envelope marked "TELEGRAMS" along with any voluntary donation, send them in on Wednesday, and they will be delivered by our student messengers throughout the day!

Reminder, older siblings are more than welcome to send telegrams to their previous Hurlbutt teachers too!!

If you have any questions, please contact Tammy Roberts at troberts@emailcorner.net.

LRC BOOKS

Thank you for helping your children be responsible with our LRC books by finding a safe place to keep them at home and by returning them on time. Please remember books can be renewed by students who bring them to the LRC. Books can also be returned any school day. As per policy, you child may be asked to not borrow if the maximum checkouts have been reached or if there is an overdue book. In this case, students are encouraged to put a book on hold and pick it up the next day when needed books are returned. Overdue notices have been sent home this week. Please don't hesitate to call the LRC if there is a question about a notice or if a book has been lost. Thanks for your help.

ONE SCHOOL, ONE BOOK

We are excited to announce a new initiative at Hurlbutt Elementary School made

possible through PTO funding. Our school will be embarking on a special project, an all school book club called One School, One Book. All students will receive a copy of the same book to share as a read aloud at home with their family. You can read it to your child, have them read it to you, partner read or even involve an older sibling – whatever works best for your reader and your family. One School, One Book is a unique program in that children at all grade levels will be sharing the same book.

While the intent is for families to share the story at home, there will be various in school activities related to the book. A reading calendar will be sent home to keep everyone on pace to finish chapters at the same time in order to facilitate the activities.

The books will be distributed on May 13th at a school-wide assembly. The title is a SECRET until then! Leading up to the assembly, students will receive hints about the title. More information will be sent home in a letter along with the reading calendar on May 13th. We're very excited about growing our community of readers through this program.

SPECIAL OLYMPICS

Weston Public Schools will be hosting the Southwest Regional games for Special Olympics again this year on Saturday, May 11th. We had a great response from the Weston community last year and we are hoping that everyone will come out and join us again. The event runs from 7:30 am to 5:00 pm and the athletes from the region will participate in Track and Field, Aquatics, and Tennis competitions. There will also be an "Olympic Town" where games and activities are provided for the athletes to participate in when they are not competing. Weston will again have their own team of students who are currently training for Track and Field and Aquatics events for May 11th, so come and cheer them on!

Special Olympics is a great organization and relies totally on volunteers to ensure the success of their events and so we are looking for volunteers to assist us on the day of the event. We hope to get volunteers from school staff, parents and students as well as Weston community members. We hope that in addition to yourself, you will encourage your students to also get involved. [Click here](#) for the STUDENT VOLUNTEER FORM and [click here](#) for the COMMUNITY VOLUNTEER FORM. This year for Weston Student volunteers you will see on the form that there is an option of just volunteering for either the morning or the afternoon if students cannot commit to the entire day. Just a reminder that any student under the age of 15 who volunteers must have a parent accompany them. Completed volunteer FORMS can be sent to Nancy Johnston at Weston High School, 115 School Road, Weston, CT 06883 or email to nancyjohnston@westonps.org. Sending in your completed volunteer form ensures you a volunteer spot. Your assignment for the day will be given to you when you arrive on May 11th. If you have any questions, please contact Andrea Russo at 201-291-1405 or andrearusso@westonps.org.

If you are unable to volunteer for the day of the event but would like to help out, Special Olympics does accept donations to assist with the costs of their events. Anyone wishing to make a donation should send it directly to the Special Olympics office to: Lisa Vane, Regional Director, 101 Merritt Boulevard, Trumbull, CT 06611 (Note: Special Olympics CT).

We are looking forward to another successful year of supporting these amazing athletes. If you have not been involved with Special Olympics before you will find it a truly rewarding experience!

Sincerely,
Lois Pernice, Pupil Personnel Director

GIVE THE GIFT OF FRESH AIR THIS SUMMER

Join other Weston families in opening your home and hearts to a New York City child from a disadvantaged community. Each year since 1877, thousands of Fresh Air Fund children visit volunteer host families in 13 states and Canada through the Friendly Town Program.

We are seeking volunteer host families who would be willing to open their hearts and home to give city children from low-income communities an experience they'll never forget. Children ages 6-12 stay for one to two weeks and are eager to experience the simple life our community has to offer - stargazing, running barefoot in the grass, a day at Compo beach, or swimming in a pool.
