

Fundraising Chair 2016-17

Overview for Fall Fundraiser:

Square 1 Art

The chairperson with the help of Square 1 Art and the WIS Art Department will facilitate the creation of individual student artwork in a set format which will be shipped to Square 1 Art for scanning and uploading and then made available for purchase on various gift products such as notepads, mouse pads, mugs, etc.

A sample time line which may be tweaked by the chairperson would be:

Step 1 09/06/2016 School begins artwork

Step 2 10/07/2016 School ships artwork.

Square 1 Art provides sample and ideas for projects. It is important to work on these projects at school with the help of either the Art teachers, classroom teachers or volunteers. The more guidance the students receive, the more likely the art will generate interest and sales.

The chairperson will need to provide information on this project to the parents through the Whistle to ensure parents are aware of the project, ordering deadlines, and delivery dates.
