

CHESTERFIELD GIRLS BASKETBALL LEAGUE

January 4, 2011 League Meeting

Board Members Present: Art Smith, Bob Kindervater, Janice Le, Diane Talley, Stacey Teachey, Tom Leschnik, Mary Don Shumaker, Charles Ingram

Associations Present: Beulah, Chester, Cloverhill, Crenshaw, Evergreen, Gates, Gordon, Hening, Jacobs, Matoaca, Midlothian, Reams, Robious, Smith, Spring Run, Swift Creek, Weaver, Wells, Woodlake, Woolridge

New Business:

1. Art briefly discussed concerns about practice times. Practice times and usage of school gyms are implemented by the county. The CGBL distributes gym times and availability to each association. The CGBL has no control over time slots awarded by the county.
2. During the next Park and Recreation County Meeting, the *participation fee* will be revisited. The County is looking to increase the \$5 participation fee for each individual to a \$10 fee for each participant. The CGBL would like to encourage all Associations and their parents to get involved and let the County hear their voice concerning this increase in fee.
3. Clarification on roster size. If a team started the season with a roster of 8 (which is a legal roster at the start of the season) and a player drops-out bringing the team number to a total of 7, that team is still legal and eligible to participate in all remaining games.
4. Elections for the CGBL Board will be held during the March Monthly Business Meeting. Nomination Committee was formed consisting of Janice Le, Deanna Merkel and Michael Oaks.
5. Scheduling: Bob reported that all make-up games for the December 17 date have been rescheduled.
6. Inclement Weather Policy revisited. If schools are closed during the week due to weather, all gyms are closed (no practices, no games) this does not automatically cancel the weekend games, this decision is made by Parks and Recreation, they will evaluate conditions and determine gym closure. In this later instance, Bob will be notified by Parks and Recreation and a "blast" email will be sent to all Board Members, Commissioners, Association Representatives, and coaches in the database relaying gym status. It is important and a must that all Associations have a list and contact number for all of their coaches.

Old Business:

1. Exchange Rosters. All exchange rosters must be typed and in numerical order. Bob will send out a sample exchange roster to all coaches and voting reps.
2. "Must Sit and Must Play". Reminder to all coaches to review new ruling, A player may not leave during the game during their "sit" quarter. They must remain on the bench for the entirety of the quarter.
