# 28-SESSION GIRLS HOCKEY DEVELOPMENT CLINIC

501 (c)(3) non-profit and a volunteer run organization

## Learn to Play and have Fun too!

Our Girls Learn to Play Clinic is a great way to try hockey in a safe and fun environment. The program is developed for girls ages 4-12 who have completed at least one learn to skate lesson and are new to the game of hockey. Our experienced girls hockey coaches use USA Hockey's American Development Model to teach hockey fundamentals through fun drills, games, and scrimmages. **Register today!**
