

ATHLETIC REPUBLIC

Coaches, Parents & Athletes,

ATHLETIC REPUBLIC is proud to partner with **Eastbay**, **Panasonic**, **EAS** and **Football University** to bring area athletes a unique opportunity to assist in the recruiting process. As the recruiting process becomes more competitive, all athletes beyond 6th grade should begin to formulate a video library of their skills and performance. The **ATHLETIC REPUBLIC All Sports Combines** utilize the same state-of-the art proprietary technology used at this year's **U.S. Army All-American Underclassmen Combine**. Every athlete will earn a secure player profile in our online **ATHLETIC REPUBLIC** Locker Room. In addition to the player profile, the **ATHLETIC REPUBLIC** Locker Room includes video of the athlete's certified performance test results and one-on-one matchups. It also provides athletes the option to load game film, have key plays automatically tagged and then mixed into a professional highlight video that can be shared with coaches and recruiters on-line to maximize exposure.
