SLW Black

The offensive line did its job with key blocks from Wilkes and Slager. The defense held Orland Hills scoreless until the last two minutes of the game. Vidovic was the standout this week on defense with a sack and fumble recovery; he won the "Budda" or defensive player of the week. Wassall and LaMonto also contributed with big tackles.

The fifth quarter squad won once again by the score of 12 to 6. Both scores were made by QB Bouck. The dominating defense was led by McKinney and Marchert.

SLW Blue

Leading Blue's Offensive attack were Franklin with a pair of touchdown runs (33 and 40 yards) and Leonard with a number of solid runs. Moll, Satka, Villa, Nikolic and Rekart cleared the way with some outstanding blocking. Pomykalski, Ostrowski, Tremblay and Antonelli anchored Blue's defensive effort that held Morris to a lone TD. Morris beat Blue in the game 13-0 with a powerful offensive attack that kept Blue's defense on their heels in the first half. Blue's defense held its' ground in the 2nd half, not allowing Morris any additional points. Blue continues to show signs of improvement.

SLW White

SLW White had their hands full facing the Jr. Warriors. The kids toughed it out, kept their heads up and still made some nice plays. Paliga intercepted the ball in the end zone preventing a score. The offense did move the ball with Burks, Lublow and Lieser all with nice plays. The final score was 26-0 with SLW White on the short side.

The kids played with pride in the 5th quarter. With some exceptional play White had a 50 yard pass play from Simon to Melby. Dombrowski and Wallace both had nice runs that added additional yards. On the defensive side Bell, Hackett, Cash Hicks, and Teske all stood their ground and Wallace made an awesome TD saving tackle.

LW Black

The wolves went a-howlin' when the Falcons dominated the field 39 to 25. The Falcons slowly devoured the competition early during the 1st half, attaining 4 touchdowns by Maloney, Novak (2), and Stewart. Welker, Novak, and Figus all contributed for the extra point. Witnesses of the 2nd half were awed as Shafer hurled 2 touchdown passes to Novak, and Welker infiltrated the Wolves defense with a 75 yard fumble recovery. The defense was especially brutal with Milhajlovich, D. Stewart, Parrish, Maloney, and D. M. Shelton for a Wolves sack.

The intensity of the 5th Quarter was atrocious as the Falcons swooned in on the Wolves for a Falcon victory 12 to 0. C. Wise and Jennrich both scored touchdowns for the team.

LW Blue

LW-Blue hosted the Morris Warriors on Saturday, trying to bounce back from a tough loss from a week ago. And, bounce-back they did, as they buckled-up the chinstraps and beat a good Morris team 20-12.

The Falcons Offense led the way, with a prolific display on the ground, grinding out yardage and controlling the clock. The Warriors would score first, but the Falcons answered quickly, as John Christensen (54 yards) crashed in from the 1. The Falcons had a statement drive late in the second quarter. Holding a slim 7-6 lead, Brad Brajkovich led an 8 play, 68 yard drive, first with an 18 yard pass to Brandon Petkoff, then a 23 yard pass to Creighton Seibert, setting up Christensen's 1-yd plunge into the end-zone, just as time ran out.

The Blue Defense was efficient and made plays when it mattered. John Christensen set the tone with some thunderous tackles, while Gus Christensen, Alex Helmin, Connor Alexa and Austin Evans led a swarming defense. But, sometimes the best defense is a good offense.

The Falcons had only two possessions in the second half, but made them both count. First, an 11-play, 70 yard drive finished with Jake Jansto (82 yards), scampering in from 7 yards out. Then, after Morris scored to make it a one-possession game again, Blue went on a 14 play drive which ran out the clock and ran off the Warriors. Next week, LW-Blue (4-2) looks for back-to-back wins by hosting the Ottawa Eagles (1-5).

In the 5th quarter, Blue shut out the Warriors 18-0, behind scoring runs by Matthew Judd, Matt Dunlap and Ernie Rohr. DJ Feehery dazzled with 38 yards rushing behind great blocking from Conrad Ostrowski, Matthew Kocka and Alec Ogarek. The Defense was led by Joey Gergely, Ben Domalewski, Bryce Richards, and Tre Allen, while Dillan Lang excited the crowd with a runback after an interception.

LW White

The LW White team took the field Sunday against the New Lenox Warriors ready to prove how hard they will fight to stay on top. The game was highlighted by an impassable defensive line and tackles by McDermid, Polka, Corbett, Gold, and Zelenika. A quick fumble recovery by Morrissey, and a sack by Carr also contributed. The offense was determined with a TD by Huguélet and a game winning extra point by Harris. Final score, Falcons 7, Warriors 6. Next week the Falcons will take on the Manhattan Patriots.

JV Black

JV Black put up a fight to contain the powerful Orland Hills running game only to come up short with the final 12-24. Black Offense struggled to get started. Figus, Ciara and McCaslin gave the defense many looks with great running however it was the passing game which opened the score up for the Falcons with an 11 yard pass from McCaslin to Ciara. To open the 4th Quarter, McCaslin took to the air connecting with Ciara on an 80 Yard TD.

JV Blue

The JV Blue Falcons (5-1) went air born in a 20-6 win over Morris at Main Park last Saturday.

It was a game of field position until an Alexa 5yd TD run in Q2. The TD was setup by a Nelson 30yd catch Bauer continued the air attack hitting Van Buren on a 50yd TD strike in Q3. Morris answered with a 5yd TD run. A Falcon 22yd TD pass to Humenik and Alexa PAT kick closed out the game.

The Falcon defense behind Christensen, Cooper, J.McGinn, Tomczak, and Ostrowski remained stingy.

V Blue

Varsity Blue Falcons, lead by quarterback Culpepper and lead running back Kraft tried to hold back the Morris Warriors. With great effort from the defense: Beecher, Jones, Garbacz, Keuch, Worker, Horneij, Ueberfluss, Newsom, Pecora, Lent, Ford, Mahoney, and Rauch, they just couldn't hold the Warriors from scoring. The Falcons' Offense: Bean, Goar, Lurgio, Bruen, Harper, Trento, Horak and Ogarek made many successful blocks, completed passes, dashing runs and made their way down the field but were unable to get into the end zone. Injured receiver/corner back Hickey supported his teammates with a broken wrist from the sideline. The ending score was 0-20 Warriors. Keep your heads up Varsity Blue.

V White

The Frankfort Falcon White Varsity fell to 1-5 in its inaugural season, losing 28-8 to the New Lenox Jr. Warriors. The Falcons were once again without lineman Max Marietti for the first half where the Warriors took an early 21-0 lead.

Turnovers were the Falcons' undoing, as they had an interception and a blocked punt returned for touchdowns. It looked like the Falcons might be shut out for a second consecutive week before Brett Sealy broke a long run. Two plays later, Seamus Mundt found the end zone with a 22 yard scamper.

Defensively, the Falcon tackle leaders were Lee Lieser, Nathan Rogers and Mundt. Unfortunately, the usually strong Falcon front line was unable to get pressure on the Warrior backfield.
