SLW Blue

SLW Blue had a rough go with blitz crazy Lemont, losing their first game to drop to 4-1. The offense couldn't run the ball but found some success in the pass game. Wiechers, under heavy pressure, picked up first downs on two completions to Bragiel and one to Page. Scianna and Pommo led the D with strong efforts, with Paull, Michaels, Straight, BigRed, Tremblay, Teodoro, and Villa recording tackles.

The fifth quarter squad played a sound defensive game against a dangerous Lemont offense. Phaby, Willis, Sapato, Stolarek, Nelson, Gluch, and Adamo contributed tackles while Christensen shed a blocker to record a TFL. Jones defended a pass on a near interception and Lathus caused a fumble. On offense, Leonardo had some nifty runs, breaking tackles and eluding the Lemont defenders, but Blue was unable to break the goal line and ultimately lost 7-0.

SLW White

SLW White was in Bourbonnais this weekend. Spencer advanced the ball down the field. Wanucha scored a touchdown on the next play. That boy needs to get into the end zone more often so he can entertain us all with his celebratory dance. On the next offensive play, Cumbee moved the ball with the help of some great blocking provided by Teske, Low, and Anderson. Bruns scored a touchdown with a quarterback keeper. Bell and Kekatos served up a few hard hits in the backfield. Melendez broke through everybody to score a touchdown. Vaundry, Paliga, Guzy, Hawkinson, Mason Marchbank, and Simon took the field to start the first quarter. Barrera, Hackett, and Lieser carried for a few gains and Ronza bumped and pushed his way through all the traffic to get a first down. Guzy, Amendola, and Rispoli took down Bears with tough tackles. Dziejczak, Maddox Marchbank, and Gold gave it their all, but in the end, White was shut out.

LW Black

During the 5th Quarter game, with confidence, our LW Black defense seized the field as Dickhaut made the 1st tackle of the game. CAGeijer, Wharrie, Best, Johnson, Parnello, LaMonto, and Zajac maintained field advantage shutting down the Raider's offense and taking possession of the ball. As the offense took the field, Ebers and Lopez successfully gained yards allowing Johnson to score a 29-yard touchdown securing a Falcons victory 6 to 0.

What a game! Our LW Black dealt a dose of reality to the Joliet Raiders securing a 27 to 14 Falcon victory. The defense and offense out-performed their Raider competitors as they

dominated the field functioning as a well-established unit. Special acknowledgements are made to the following offensive and defensive players: Keeling, Ansari, Simental, Conover, Arndt, Mergenthaler, Slager, Parrish, Beltz, and Brooks for a job well done last Sunday. Way to go Falcons!

LW Blue

LW Blue welcomed Lemont to town for their Homecoming game, beat them 12-6, and sent them home with their first loss of the season! In a well-played contest by both teams, it took 2 overtimes to finally crown a winner in the "Battle of the Unbeaten." Blue displayed heart and a never quit attitude all game long! Bolsoni, Dunlap, Judd, H.Lang, Rohr, Evans, and Cunningham played some hardnosed football racking up 200 yards of total offense. Judd and H.Lang provided the TD's. Blue's D was relentless, yielding only 93 yards all day. Christensen, DiGiovanni, Scianna, Teodoro, Domalewski, Warning, and Gergely stepped up on Defense. Despite losing 12-6, 5th Quarter continued to show improvement with Stilp, N. Ernst and Franklin leading the Offense. Jaber, N Belavich, Robinson, and Moll played strongly on Defense. A special thank you to our vocal fans that provided "12th man" support all day long!

LW White

It was a great week for the LW White Team! Both the 5th quarter and the regulation game came down to the wire, with White pulling out the victory each time. Polad and Michon led the way on the ground, with Polad scoring on a 20-yard sprint. Polad led the way on defense as well, along with Reda, Bruns, Brown and Lyke. White came out on top in the 5th, 7 – 0.

White's first drive in regulation landed in the end zone. Manning, Watson, and Guzy led the way on the ground, while DePaula and Vaundry hauled in nice passes from Watson, with DePaula grabbing the touchdown. Criscione had his first big play on defense with a tackle for a huge loss, forcing Bourbonnais to punt. With the score tied 6-6, Criscione recovered a fumble in the 3rd quarter to keep the score tied.

The game went into overtime tied 6-6, with White scoring on its first possession, led by runs from Lublow, Guzy, and Watson for the touchdown. That left it up to the defense to preserve the win. With the ball at the 1 yard line, Bourbonnais attempted a run up the middle and Criscione again made a big hit, knocked the ball loose, and Boykin recovered the ball to secure a 12-6 win!

V Black

After being recognized in the 8th grade ceremony on Sunday, Varsity Black took the turf for their last home game on Aleck field against the Joliet Raiders. The Falcons took the lead early with a march down the field. McCorkle ran for 40yds and Powers added 22yds to bring them to 1st and goal. Vincent ran in for the touchdown on a QB keeper with a great push from the O-line of Jackson, Taylor, Sterling, Townsend, and Witczak. Taylor sent the ball right down the pipe for 2pts to make it 8-0. Other awesome highlights included a blocked kick by Jackson, receptions by McCorkle, Galifos, and Patton, a sack by Townsend, and a tremendous defensive display by Burns, Lucca, Schipiour, Smolinski, Sterling, Sucharzewski, and Lopez. Joliet came back to win 18-8.

V Blue

A clash of two River Valley rivals was the perfect backdrop for Frankfort Falcon Varsity Blue's Homecoming. The Falcons came up on the short end of an 11-8 score. The Falcons took their first possession after a Werniak 25yd kick return to the Lemont 45. The Bolsoni and Werniak ground game led to a 4yd Bolsoni TD run(Worker PAT kick) and 8-0 lead. The Falcon defense was stingy all day. The only exception was a 34yd Lemont punt return to the Falcon 20 that led to the tying TD run and PAT. In the second half Lemont recovered a Falcon fumble and took an 11-8 lead on a 27yd field goal. A late drive led by Bauer with two passes to McGinn for 57yds came up short. Several Falcon turnovers and untimely penalties killed Falcon drives. The Falcon defense was led by the hard hitting Worker(sack), Ziganto, Bauer, Cooper(sack), and Smith(sack).

V White

The Varsity White Falcons struggled in their game against the Bourbonnais Bears. The White team changed things up a bit this week, with Carr at QB and Panfil at wide receiver and free safety. Carr was able to connect with Panfil, McDermed, and Goodwin for completed passes. Additional yardage was gained by Goodwin and Morrissey carries. Play stopping tackles were delivered by Diehl, Madey, Panfil, Goodwin, and McDermed. Straka whooped up on the Bears QB for a sack. Support for their teammates was provided by Zavis, Manning, Provost, Thibault, Georgakopoulos, Lantz, Farhoud, and O'Connell. These players work very hard at practices and are ready at any moment to give it their all in a game.
