LW Blue rolled with a 26-0 victory over hard hitting LW White. 5Q Blue stymied White's offense with a dominating performance from NT R Bell, multiple tackles from Willis and Adamo, Cunningham's 2 TFL's, a J Michaels' fumble recovery, and stops from Hosey, Dauber, and Wright. The offense looked sharp as Wright had a long run, Dauber and Cumbee scored behind Hosey, Nikolic and Neary blocks, and J Elgas swept in behind a Jones lead block for a TD. In game 2, Blue pounded the ball down the field as Belavich scored the first of his 2 TD's behind blocks from Emery, Tremblay, Scianna, Straight, Teodoro, and a downfield pancake from Wiechers. JV Blue Blanks White 19-0

JV Blue continued on its' unbeaten path shutting out Frankfort's JV White. Once again, from the opening play on 5th Quarter to the final whistle, JV Blue's Defense was stellar, yielding only small gains and no points. Special Teams got Blue started with a 60yd punt return for a TD by Wright. Christensen and Teodoro added short yardage TD's to close out the scoring. Again it was Defense that shined as Blue shut down the White Offense with turnovers and solid tackling

led by Gergely, Scianna, Paull, Fitzpatrick, Lang, Rogien, Evans, DeJulius, Selvaggio and Judd. The 5th Quarter teams battled to a scoreless tie as both Defenses played well. Blue's defense was led by Robinson, Hahn, Geil, Zenere, Bragiel, Kingsberry, Franklin, A. Ostrowski, Stilp, Aलगuson and Polad. Great Job Boys!

### **JV White**

JV White took one on the chin losing to Blue 19-0, but don't let that fool you, this was a lot closer than the scoreboard showed. If not for a punt return and a score with 23 seconds left, it was 6-0 game. Tyler Gritzenbach had some big tackles to get the defense going. Blue then went to the air, but the White secondary stood up to the test and ended the half with a Tommy Criscione interception.

Frank Ciatteo tried to get the running game going, but the drive was stopped short. Jake Tomczak then pulled in the second White pick of the day. Sam Paliga had a huge 2nd half and had an interception of his own.

During the 5th quarter which ended 0-0, Hayden Wharrie had a key fumble recovery. Mance, Orlich, Turner, Looper, Leonard, and Josh Bruns all had strong performances as well.

Frankfort Black Falcons 12, Morris Warriors 6

There are games throughout a season that will test a team's will, toughness and their character. Sunday's contest against the previously unbeaten Morris Warriors was one of those games for the Frankfort Varsity Black Falcons. In what Coach Tencza called 'a battle', the Falcons played a tough 32 minutes of football and in the end, prevailed by a score of 12-6, notching their place toward the top of the River Valley Conference Standings. So what did this test reveal about this group of young men?

We learned the Offense has the will and is able to grind out yardage on the ground while mixing in an effective passing game to keep opposing Defenses off-balance. The Falcons scored on their first possession, going 68 yards on 8 plays, when Sam Welker ran in it from 15 yards out. Conor Townsend handled the rushing load with 66 yards on 8 carries, while QB Michael Bocker threw for 102 yards, including a 44 yard strike to John Bartusiewicz to extend a drive in the third. But, the biggest play came in the 4th Quarter with the score tied at 6 with only 1:49 to go, as Bocker hit Townsend in stride who then scampered into the end-zone for the deciding score.

We learned the Falcons Defense is tough and resilient enough to keep the games close, and can even dominate a skilled offensive team like Morris, who came into the game averaging 28 points per game. Led by Jake Tencza (7 tackles), the Defense shut down the explosive Warriors, allowing only 26 total yards and 2 first downs. Nicholas Rizzuto and Jon Novak also had tremendous games. When the Falcons fumbled the ball away late in the fourth, the Defense rose to the occasion and forced a three and out, helped by a QB sack by Turner Pallisard. The Warriors last chance was a desperation pass on 4th and 10, but was intercepted by Brandon Petkoff to seal the game for the Falcons.

Lastly, we may have learned these Falcons have tremendous character, that they make a great team, play with passion and heart, and have proven themselves to be one of the league's top teams. But, I suspect this is something we already knew. As for the rest of the league, they are coming up to speed. Up next, the Falcons (3-1) travel to Orland Hills to take on the Wolves (1-2).
