

2013 Game Reports for Week 5

SLW Black

The Falcons SLW Black started the 5th QTR on defense. The D-line was impressive with good pressure by Peltz, Kenny, Bromberek, Wuske and Fushi. Szott and Faille made great pushes to blow up plays in the Orland Hills backfield. Tackles by Janowski, Dickhaut, Slager, Serauskis, Dell and Derkacy held the Wolves to one TD. On offense we saw the O-line in a dogfight with impressive blocking by Ransford, Zuranski and Samuel McKenna. Tough runs by Crean and Slager set up our only touch down on a great run by Serauskis. Final score 6-6.

SLW Blue

With storms rolling in, the white squad took an early and aggressive start to the field. True to form, they powered through rain, wind, and cold to show the Jr. Knights what they are made of. Poynton, Muhammad and Wills scored 3 TD's with great defensive effort from Vanderkin and Ho. Powered runs by Maher and Rodriquez helped moved the ball down the field with Wills, Walenga, Skrzynski, Chambers, Cumbee, Collins, and Alfano fueling the line. Great defensive blocking by Winters, Byrne, Pope, and the rest of the defensive team kept the Jr. Knights offense at bay. As clouds loomed high, blue struggled through a gloomy 1st half, but went on to see an amazing 50 yard run from Wiechers, capped off by a TD by LaPonte, thanks to fearless blocking by Curtin, Sroka, Straight, Duggan, Ezell, Kekatos and K-Ski. Unfortunately the wet conditions and a strong Jr. Knight defense kept blue from scoring a 2nd TD. Great defensive efforts were made in slippery conditions by Falejczyk, Johnson, Spencer, Kwiecinski, and Kocka, but unfortunately the Jr. Knights offense was on fire going on to finish with a 31-6 victory.

LW Black

The LW Black 5Q team beat the Orland Hills Wolves 18-6. The defense showed itself strong with tackles from Ruminiski, Crowley, Kepuraitis, Dillman, Benn, and Nair. The highlight of the 5Q's offensive play was a completed pass from Dillman to Crowley which set up a touchdown by Nair.

The Falcons defense dominated the Wolves throughout the first half of the regular game with an interception by Brown in the first quarter and a pick six by Townsend in the second. (This is the second game in a row in which Townsend has had an interception.) Brown, Pierre-Antoine, McCreary, Herlihy, Keegan, and Heerde also contributed positive yardage. With continued excellence on defense in the second half (great tackles by Clark, Majcina, Pfister-Arcos, Heerde, Keegan, Young, Ramsey, Mize, and Brown), an onside kick recovery, and a touchdown

by Young, LW Black triumphed over Orland Hills with a score of 12-0.

LW Blue

5Q Blue extended their unbeaten streak in a victory over New Lenox as the defense shut out the Knights. Maniatis had two TFL's to start the game; Michaels caused a fumble with a hard hit, and Adamo, Cunningham, Hosey, Willis, and Wright all recorded tackles. The offense controlled the ball as Dauber ran hard behind RBell and Neary blocks, Paul had a good gain off Hosey and GBell, JElgas scored on a pitch from Jones, and later swept outside for his second TD. In game two, LWBlue suffered its first loss. The offense had a tough go despite the best efforts of hard running BElgas, Straight, and Teodoro and tough blocking of Nelson, Emery, and Tremblay. Scianna led the defense with multiple stops and a huge TFL on a 4th down conversion attempt. Villa, Michaels, Rekhart, Wiechers, Paull, Simon, Page, Stolarek, and Belavich all made the stat sheet with tackles.

LW White

laderosa handed off to Bruno for a short gain. He followed up with delivering the ball to Dochee who ran in for a touchdown. Soon after, laderosa scored on a keeper. In the last play of the fifth quarter, laderosa threw an amazing pass to Low.

The quarter was off to a great start. Matthew Bruns caught a perfect Sicinski pass. Ronza brought the ball into the end zone. Hawkinson, Kraft, VanderKooi and Glatz provided awesome blocking that allowed Sicinski to score a couple of touchdowns. Paliga's interception enabled another Sicinski touchdown. Jack Bruns, Falcone, Colin Hackett, Miritello, Amendola and Lizak were the heavy hitters of the day. Rispoli ended the game with an interception. The white Falcons enjoyed a homecoming victory in defeating the Patriots 24 to 14.

JV Black

In the main game Purpura had a good tackle on the first series but we found ourselves down 0-6 early on. Our O-line fought hard to grind out some tough yardage on the ground. Outstanding blocking by Suva, Jedlowski, Durkin, Heerde and Nevinger set up runs by Max McKenna, Parrish and Welker. Januszewski had a fantastic 37 yard run to score a touchdown late in the 2nd QTR to get us close. Falcons 6 – Wolves 12. The Falcons defense recovered a fumble with 1:23 left in the first half but were unable to capitalize. Our defense fought valiantly with good pressure by Crowley, Benn and Butkowski. Tackles by Max McKenna, Welker, Parrish, Philips, Peabody and Purpura. Final score 6-24. DBShelton began the drive on offense catching the kick return from the Wolves. Dickhaut, Grimm, Parish, DMShelton, Clarke, Parnello, and DBShelton pounded the Wolves offense allowing Malito to score an interception, Rojas to score a touchdown, and Greenawalt to score the first field goal of the game. DBShelton steals a fumble, Grimm scores a touchdown and Greenawalt scores the 2nd field goal of the game. During the 3rd Quarter, McKinney and Malito continue to punish the Wolves forcing a turnover on downs which set the stage for Johnson to score the final touchdown of the game....Falcons 28 Wolves 6. The 1st play of the 5th Quarter, McKinney scored a touchdown followed by Zajac and Rojas. Lieser, Johnson, Zajac, Potts, Casey, and Rojas all played great defense....Falcons 18 Wolves 0.

JV Blue

JV Blue Prevails Despite Weather

JV Blue improved their record to 5-0 beating a talented New Lenox Jr. Knight team 6-0 on their Homecoming. Mother Nature wreaked havoc on the game with a steady, heavy rain for most part of the game. Despite the challenges, JV Blue's defense came to play. Judd provided the scoring needed on a QB keeper. Teodoro, Christensen, Selvaggio, Evans and Lang, kept tight hold of the slippery ball all game. Once again the defense was outstanding as they continued their streak of not being scored against, this year. The 5th quarter squad battled the Knights to a 7-7 tie. Franklin, Alsguson, Hosey, Eul and Polad led the Offense, while Bragiel, Kingsberry, Hahn and A.Ostrowski played strong on Defense. On this day, Mother Nature was a force to be reckoned with, but JV Blue came to play!

JV White

With a stifling team defense and an offense firing on all cylinders, JV White shut down the Manhattan Patriots and cruised to a 27-0 victory. The defense, which consists of Murray, Criscione, Gritzenbach, Vaundry, Tomczak, Jelley, Simental, Ciatteo, Lublow, Manning, and Russo, has been a force all season . Justin Lublow had a big day with two interceptions, and the D-line took away the running game.

After a quiet 1st quarter, the offense got going and never looked back. Jake Tomczak connected with Mike Manning for the first score of the game, who then punched in the extra point. After Lublow's first interception, Manning ran one in for his second TD of the day. Tomczak then hit Manning for a long pass to set up a TD run of his own, Manning had the XP. The scoring was capped off with Tomczak's second TD pass of the day, this one a deep one to

Larry Burks.

Varsity Black

The Frankfort Black Falcons traveled to Orland Hills trying not to look past the Wolves, with the showdown against Frankfort White (4-1) looming just one week away. But instead of a 'looking over' the Wolves, the Falcons 'worked them over' winning by a lop-sided score of 35-6.

The domination began in the fifth quarter, as the Falcons Defense, led by Kevin O'Brien, Aaron Barber and Jason Maciejewski, stuffed the Wolves attack. Joey Ansari, Caden Wise, Mason Sargent and Julian Flores all brought down Orland ball carriers.

One knew it was to be Frankfort's day, as Jon Novak recovered a Wolves fumble on the opening kick-off. Then, on the very next play from scrimmage, Conor Townsend took the handoff from QB Michael Bocker and ran 35 yards untouched for a Falcon touchdown. It would be the first of three TDs Townsend would score in the game, behind gaping holes provided by the Offensive Line, consisting of Calvin Covaciu, O'Brien and Connor Nelligan. Joshua Yule also blocked well. John Bartusiewicz added some nice down-field blocking, while Cody Geijer gained some tough yards on the ground. Turner Pallisard and Brandon Petkoff also added TD runs, to open up a 35-0 lead.

The Defense was suffocating all game long, allowing only one score. Jacob Tencza and Nicholas Rizzuto controlled the inside, while Jack Sargent and Matthew Granberry swarmed on the outside, leaving little room for the Wolves running game. Brett Jennrich and Jack Cohrs also recorded tackles. The Orland passing game would do no better, as Welker and Townsend each picked off a pass and the Wolves QB was flattened by a crushing sack from Nick Mihajlovich. It was an emphatic tackle and a statement game by the Falcons (4-1) that could be heard all the way back in Frankfort. Although there may be some (in White) pretending not to notice.

Varsity Blue

The Homecoming ceremony started off during a deluge of rainfall as the Varsity Blue Falcons took to the field against an undefeated New Lenox Knights team. The first quarter was a hard hitting battle as the Falcons defense, led by Michaels, Seibert, Shafer, Lang, Christensen, Warning, DeGregorio, and Montgomery put up a valiant effort against a bigger and stronger offense. Team captain Cunningham, Herlihy and Flaherty provided moral support. Brilliant play by Scianna, Bolsoni, Johnson, Walsh, O'Gorman, Salgado, Gossage, Dees, Doamlewski, Ciciura, Ogarek, Kocka, Medina, Montgomery and Brajkovich, was still not enough to stop the

bleeding caused by the Knight's blade. At the end, the Falcons fell to the Knights, however, the Falcons never gave up and fought until the end. After the game, the Falcons were able to lick their wounds and celebrate as a team with some pizza and ice cream. In the end, not a total loss.

Varsity White

Falcons Varsity White dominates Manhattan Patriots

Falcons Varsity White played an exceptional game against the Patriots. Their faith was greater than their fear.

Carr and Gold played with passion resulting in many big tackles. Our Defensive Line made up of Bachler, Corbett, Gold, Huguelet, Kazmierczak, Narel, Sottosanto, Stanevicius and Varchetto were committed to the challenges and dominated with many outstanding plays throughout the game.

McGivern connected with Morrissey for the first touchdown of the game. Rodriguez kicked the extra point resulting in White leading 8-0 in the first quarter. McGivern's focus shinned as he intercepted the ball for a first down and Rodriguez finished up the first quarter scoring the second touchdown.

Falcons White continued the second quarter with strength and determination. Highlights include McGivern connecting with Bachler and Morrissey and Rodriguez finishing up the second quarter by kicking the extra point.

Final White Wins 28-0
