

2014 Game Reports for Playoffs Round 1

SLW Black

Orland Hills – The first round of the River valley playoffs concluded with a dominating performance by the super-lightweight Frankfort Falcons Black team vs. the Richton Park Raiders this past Saturday night. Despite a late start and cool temperatures, the Falcons were firing on all cylinders en route to a 32 – 7 victory. Standout performances were turned in by Colin Crean (75yd touchdown scamper), Sam McKenna (three straight tackles for a loss) and the always dependable Jack Hayes. Super subs Kyle White, Blake Brown and Jacob Purpura bolstered a stout defense. All in all it was a great start to what Falcon fans hope is a deep run through the playoffs.

SLW Blue

Playoff season opened up with the SLW Falcons Blue playing Tri-City Wolverines for the rights to advance. The 5th Quarter exhibited great defense not allowing the Wolverines a first down with some great tackles by Lombardo, Muhammad, LeBeau, Peltz, Zenere, Rogers and Costa. This defense has been spectacular all season and fun to watch. The offense didn't waste anytime scoring with nifty runs by LeBeau, Zenere, Muhammad scoring 3 touchdowns. Page and Alsguson were tapped to run the ball and contributed big yards to the offense. This provided the spark that transitioned into the next game.

SLW Falcons Blue came to play and lit up the scoreboard early and often. Curtin was unstoppable on offense and defense scoring the first touchdown breaking tackles for 50 yards. Blue didn't stop there with some fancy footwork by Poynton for 20 yard and scores by Curtin and Meyer. The defense dominated causing fumbles and giving the offense great field position. Meyer had some big hits along with Simpson, Ho and Ross. The play of the game came when Tischer recovered a fumble and sprinted down the sideline for a touchdown giving the Falcons a 26-0 lead at halftime. The entire team contributed to this impressive victory on a beautiful fall afternoon. SLW Blue next opponent is Joliet Ravens and the team is ready to keep the momentum rolling! Go Falcons!

LW Black

Frankfort Falcons Light Weight Black vs. Tri-City Wolverines

The fans for both teams were on the edge of their seats for the entire game. I don't know how to put into words the way the boys played in the first round of play offs. Each of them came to play. All of our players: Ball, J. Benn, Brown, Crowley, Duggan, Faille, Haberkorn, Heerde, Jedlowski, Lizak, McKenna, Olaleye, Peabody, Pellegrini, Peirre-Antoine, Priovolos, Rocklin, Rodriguez, Slaughter, Suva, Teske, Toledo, Tamanich and Zaeske did an outstanding job. As a team we did make a few mistakes, but the way all our players came back and took charge was inspiring. In over time the offense scored a touchdown and the extra point. Our defense stopped the extra

point to win us the game I do not like to single any player out, because it is a TEAM sport. However, if I were in charge of choosing the "Meat-head" for this game it would have to be D. Benn. I don't know what he ate for breakfast, but he needs to eat the same thing for next week's game. He got into the back field to rattle the quarterback not once, but three times. In overtime, Falcons LW Black 7/Tri-City Wolverines-6. We meet Falcon LW Blue next Sunday, October 19th at LW-West. Wear black and bring your outside voices!!!! GO FALCONS LW BLACK!!!!

JV Black

JV Black dominated in its first playoff game against the Romeoville Spartans. The first quarter began with an onside kick recovery by Hackett followed by a quick drive down the field resulting in a touchdown (Slager on a keeper and a successfully kicked PAT). Three more touchdowns followed in the second quarter: a run by Beltz, a pass from Slager to Heerde, and a run by Rojas. Young, Johnson, and Jelley also contributed offensively. The defense shut down Romeoville completely in the first half with strong play from the line (Beltz, Pfister-Arcos, Hackett, Melby, and Lieser), an interception by Vidovic, and a fumble recovery by Johnson. At halftime the Falcons led 26-0.

A fumble recovery by Cohrs got the third quarter off to a great start. Runs from LaCognata, Ferneau, Bruns (fantastic reverse), Dochee, and Keegan kept the ball moving offensively. Unfortunately, the Spartans capitalized on a Falcon fumble and scored their only touchdown of the game. Other contributors to the win include Casey, Zajac, Amendola, Potts, Savaria, Lieser (40), Dillman, Arcy, Guzy, Clark, Mize, Crowley, Buck, Herlihy, Maciejewski, Miritello, Crean, and Hagemaster. Final score was 26-7.

JV Blue

JVBlue opened the playoffs with resounding victories over Manhattan. In Game 1, Blue handed the ball to Sapato who ripped off big runs eventually scoring behind solid blocking from THosey and Kwiecinski. Wiechers hit a 50 yard bomb to Cunningham and Slate cut back, reversed the field, and weaved through traffic for a TD. Hawkinson led the defense with two TFL's and Perisin, JHosey, Phaby and Orlich contributed tackles preserving a 21-7 victory. Blue won the elimination game 27-6. An Alsguson run up the middle behind Michaels and DeJulius blocks opened the scoring. Kraft, protected by tackles Villa and Ostrowski, had a great day throwing the ball with touchdowns to Belavich, the TD vulture Wiechers, and Kingsbury. The defense dominated with TFL's from Teodoro and Page, a DeJulius sack and strip, interceptions from Kraft, Polad, and Vander Kooi, and tackles from Kingsbury, Orlich, Alsguson, Slate, and the pancake chef Bragiel.
